NOTICE is hereby given that the 70th ANNUAL GENERAL MEETING (AGM) of Ipca Laboratories Limited (CIN L24239MH1949PLC007837) will be held on Thursday, 17th September, 2020 at 3.30 p.m. through Video Conferencing / Other Audio Visual Means (VC/OAVM) to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt:
 - a) the Audited Financial Statements of the Company for the financial year ended on 31st March, 2020 together with the Reports of the Board of Directors and Auditors thereon; and
 - b) the Audited Consolidated Financial Statements of the Company for the financial year ended on 31st March, 2020 together with the Report of the Auditors thereon.
2. To confirm the payment of interim dividend of ₹ 5/- per equity share as final dividend for the financial year ended 31st March, 2020.
3. To appoint a Director in place of Mr. Ajit Kumar Jain (DIN 00012657) who retires by rotation and being eligible, offers himself for re-appointment.
4. To appoint a Director in place of Mr. Pranay Godha (DIN 00016525) who retires by rotation and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS:

5. To consider and, if thought fit, to pass, the following Resolution as an Ordinary Resolution:

“RESOLVED THAT pursuant to the provisions of Section 148 (3) and such other applicable provisions, if any, of the Companies Act, 2013 read with rules made thereunder, M/s. ABK & Associates, Cost Accountants (Firm Registration No. 000036) who have been appointed as the Cost Auditors of the Company to conduct the audit of the cost records for the financial year 2020-21 be paid remuneration of ₹ 6,00,000/- (Rupees Six Lacs Only) plus service tax and reimbursement of traveling and other out of pocket expenses.”

IMPORTANT NOTES

1. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (“the Act”) setting out material facts concerning the business under Item No. 5 of the accompanying Notice, is annexed hereto. The Board of Directors of the Company at its meeting held on 16th June, 2020 considered that the special business under Item No. 5 being considered unavoidable, be transacted at the 70th AGM of the Company.
2. General instructions for accessing and participating in the 70th AGM through VC/OAVM Facility and voting through electronic means including remote e-Voting
 - a. In view of the massive outbreak of the COVID-19 pandemic, social distancing norms to be followed and the restriction imposed on movement / gathering of persons at several places in the country and pursuant to General Circulars issued by the Ministry of Corporate Affairs (MCA) and Securities and Exchange Board of India (SEBI) and in compliance with the provisions of the Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), the 70th AGM of the Company is being conducted through VC/OAVM Facility, which does not require physical presence of members at a common venue. The deemed venue for the 70th AGM shall be the office of the Company situated at Plot No. 125, Kandivli Industrial Estate, Kandivli (West), Mumbai – 400 067.
 - b. In terms of the circulars issued by MCA since the physical attendance of Members has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Act will not be available for the 70th AGM. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the Members may be appointed for the purpose of voting through remote e-Voting and for participation in the 70th AGM through VC/OAVM Facility and e-Voting.

- c. In line with the circulars issued by MCA and SEBI, the Notice of the 70th AGM will be available on the website of the Company at www.ipca.com and on the website of BSE Limited at www.bseindia.com and The National Stock Exchange of India Limited (NSE) at www.nseindia.com and also on the website of NSDL at www.evoting.nsdl.com.
- d. Since the AGM will be held through VC/OAVM Facility, the Route Map of the AGM venue, proxy form and attendance slip is not annexed in this Notice.
- e. National Securities Depositories Limited (“NSDL”) will be providing facility for voting through remote e-Voting and for participation in the 70th AGM through VC/OAVM.
- f. Members may join the 70th AGM through VC/OAVM Facility by following the procedure as mentioned below which shall be kept open for the Members from 3.00 p.m. i.e. 30 minutes before the time scheduled to start the 70th AGM and shall be kept open during the proceedings of the AGM.
- g. Members may note that the VC/OAVM Facility provided by NSDL allows participation of only 1,000 Members on a first-come-first-served basis. The large shareholders (i.e. shareholders holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, auditors, etc. can attend the 70th AGM without any restriction of first-come first-served principle.
- h. Attendance of the Members participating in the 70th AGM through VC/OAVM Facility shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- i. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to investors@ipca.com.
- j. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC. Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution / authorization letter to the Company or upload on the VC portal / e-voting portal.
- k. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (“ICSI”) and Regulation 44 of Listing Regulations read with circulars issued by MCA and SEBI in this regard, the Company is providing remote e-Voting facility to its Members in respect of the business to be transacted at the 70th AGM and also facility for those Members participating in the 70th AGM to cast vote through e-Voting system during the 70th AGM.

3. Instructions for Members for Remote e-Voting are as under:-

- I. The remote e-voting period commences on Monday, 14th September, 2020 (9:00 am) and ends on Wednesday, 16th September, 2020 (5:00 pm). During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 11th September, 2020, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Any person who is not a Member as on the cut off date should treat this notice for information purpose only. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently
- II. The details of the process and manner for remote e-Voting are explained herein below:
 - Step 1: Log-in to NSDL e-voting system at <https://www.evoting.nsdl.com/>
 - Step 2: Cast your vote electronically on NSDL e-voting system.

Details on Step 1 are mentioned below:

How to Log-in to NSDL e-voting website?

1. Visit the e-voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile phone.
2. Once the home page of e-voting system is launched, click on the icon “Login” which is available under ‘Shareholders’ section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen. Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL e-services after using your log-in credentials, click on e-voting and you can proceed to Step 2 i.e. cast your vote electronically.
4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Your password details are given below:
 - a. If you are already registered for e-voting, then you can use your existing password to login and cast your vote.
 - b. If you are using NSDL e-voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.
 - c. How to retrieve your ‘initial password’?
 - i. If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.
 - ii. If your email ID is not registered, your ‘initial password’ is communicated to you on your postal address.
6. If you are unable to retrieve or have not received the “Initial password” or have forgotten your password:
 - a. Click on “**Forgot User Details/Password?**” (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

- b. **“Physical User Reset Password?”** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c. If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d. Members can also use the OTP (One Time Password) based login for casting the votes on the e-voting system of NSDL.
7. After entering your password, tick on agree to “Terms and Conditions” by selecting on the check box.
 8. Now, you will have to click on “Login” button.
 9. After you click on the “Login” button, Home page of e-voting will open.

Details on Step 2 are given below:

How to cast your vote electronically on NSDL e-voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-voting. Click on e-voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle is in active status.
3. Select “EVEN” of the Company for which you wish to cast your vote.
4. Now you are ready for e-voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
6. Upon confirmation, the message “Vote cast successfully” will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

4. Process for those Members whose email ids are not registered for procuring user id and password and registration of email ids for e-Voting on the resolutions set out in this Notice:

- a. Those Members, who hold shares in physical form or who have not registered their email address with the Company and who wish to participate in the 70th AGM or cast their vote through remote e-Voting or through the e-Voting system during the meeting, may obtain the login ID and password by sending scanned copy of: i) a signed request letter mentioning name, folio number and complete address; and ii) self attested scanned copy of the PAN Card and any document (such as Driving Licence, Bank Statement, Election Card, Passport, AADHAR Card) in support of the address of the Member as registered with the Company; to the email address of the Company investors@ipca.com.
- b. In case shares are held in demat mode, Members may obtain the login ID and password by sending scanned copy of (i) a signed request letter mentioning name, DP ID-Client ID (16 digit DP ID + Client ID or 16 digit beneficiary ID); (ii) self attested scanned copy of client master or Consolidated Demat Account Statement; and (iii) self attested scanned copy of the PAN Card, to the email address of the Company investors@ipca.com.

5. Instructions for Members for participating in the 70th AGM through VC/OAVM are as under:

- a. Members will be able to attend the 70th AGM through VC/OAVM Facility through the NSDL e-Voting system at <https://www.evoting.nsdl.com> under shareholders login by using the remote e-Voting credentials and selecting the EVEN for the Company’s 70th AGM. Please note that the Members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the Notice of the 70th AGM to avoid last minute rush. Further, Members can also use the OTP based login for logging into the e-Voting system of NSDL.
- b. Members will be required to use Internet with a good speed to avoid any disturbance during the meeting.

- c. Please note that Members connecting from mobile devices or tablets or through laptops etc. connecting via mobile hotspot, may experience Audio/Video loss due to fluctuation in their respective network. It is therefore recommended to use stable Wi-Fi or LAN connection.
- d. Members can submit questions in advance with regard to the financial statements or any other matter to be placed at the 70th AGM, from their registered email address, mentioning their name, DP ID and Client ID number /folio number and mobile number, to reach the Company's email address investors@ipca.com atleast 48 hours in advance before the start of the meeting i.e. by 15th September, 2020 by 3.30 p.m. Such questions by the Members shall be taken up during the meeting and replied by the Company suitably.
- e. Members, who would like to ask questions during the 70th AGM with regard to the financial statements or any other matter to be placed at the 70th AGM, need to register themselves as a speaker by sending their request from their registered email address mentioning their name, DP ID and Client ID number/folio number and mobile number, to reach the Company's email address investors@ipca.com atleast 48 hours in advance before the start of the 70th AGM i.e. by 15th September, 2020 by 3.30 p.m. Those Members who have registered themselves as a speaker shall be allowed to speak/ask questions during the 70th AGM, depending upon the availability of time.
- f. Institutional Investors who are Members of the Company, are encouraged to attend the 70th AGM through VC/OAVM Facility.

6. Instructions for Members for e-Voting during the 70th AGM are as under:

- a. Members may follow the same procedure for e-Voting during the 70th AGM as mentioned above for remote e-Voting.
- b. Only those Members, who will be present in the 70th AGM through VC/OAVM Facility and have not cast their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the 70th AGM.
- c. The Members who have cast their vote by remote e-Voting prior to the 70th AGM may also participate in the 70th AGM through VC/ OAVM Facility but shall not be entitled to cast their vote again.
- d. The Helpline details of the person who may be contacted by the Member needing assistance with the use of technology, before or during the 70th AGM shall be the same persons mentioned for remote e-Voting and reproduced hereunder for convenience:
Mr. Amit Vishal, Senior Manager, NSDL at the designated email ID: evoting@nsdl.co.in or AmitV@nsdl.co.in or at telephone number :+91-22-2499 4360.
Ms. Pallavi Dabke, Manager, NSDL at the designated email ID: evoting@nsdl.co.in, or pallavid@nsdl.co.in or at telephone number +91-22-2499 4545.

7. General Guidelines for Members

- a. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-Voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
- b. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-Voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request at evoting@nsdl.co.in. or contact Mr. Amit Vishal, Senior Manager or Ms Pallavi Dabke, Manager, National Securities Depository Ltd., Trade World, 'A' Wing, 4th Floor, Kamala Mills Compound, Senapati Bapat Marg, Lower Parel, Mumbai – 400 013, at the designated email IDs: evoting@nsdl.co.in or AmitV@nsdl.co.in or pallavid@nsdl.co.in or at telephone nos. : +91-22-24994360 or +91-22-24994545 who will also address the grievances connected with the voting by electronic means. Members may also write to the Company Secretary at the Company's email address investors@ipca.com.

8. The voting rights of Members shall be in proportion to their share in the paid up equity share capital of the Company as on the cutoff date of 11th September, 2020.
9. Any person, who acquires shares of the Company and becomes Member of the Company after the Company sends the Notice of the 70th AGM by email and holds shares as on the cut-off date i.e. 11th September, 2020, may obtain the User ID and password by sending a request to the Company's email address investors@ipca.com. However, if you are already registered with NSDL for remote e-Voting then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com.
10. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-Voting or casting vote through e-Voting system during the AGM.
11. Mr. P. N. Parikh (Membership No. FCS327 CP1228) or failing him Ms. Jigyasa N. Ved (Membership No. FCS6488 CP6018) or failing them Mr. Mitesh Dhaliwala (Membership No. FCS8331 CP9511) of M/s. Parikh & Associates, Practising Company Secretaries have been appointed as the Scrutinizer to scrutinize the remote e-Voting process (including e-Voting at the meeting) in a fair and transparent manner.
12. During the 70th AGM, the Chairman shall, after response to the questions raised by the Members in advance or as a speaker at the 70th AGM, formally propose to the Members participating through VC/OAVM Facility to vote on the resolutions as set out in the Notice of the 70th AGM and announce the start of the casting of vote through the e-Voting system. After the Members participating through VC/OAVM Facility, eligible and interested to cast votes, have cast the votes, the e-Voting will be closed with the formal announcement of closure of the 70th AGM.
13. The Scrutinizer shall after the conclusion of e-Voting at the 70th AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-Voting and shall make a consolidated scrutinizer's report of the total votes cast in favour or against, invalid votes, if any, and whether the resolution has been carried or not, and such Report shall then be sent to the Chairman or a person authorized by him, within 48 (forty eight) hours from the conclusion of the 70th AGM, who shall then countersign and declare the result of the voting forthwith.
14. The results declared along with the report of the Scrutinizer shall be placed on the website of the Company at www.ipca.com and on the website of NSDL at www.evoting.nsdl.com immediately after the declaration of results by the Chairman or a person authorized by him. The results shall also be immediately forwarded to the BSE Limited (BSE) and The National Stock Exchange of India Limited (NSE).
15. Pursuant to the circulars issued by MCA and SEBI, in view of the prevailing pandemic situation and owing to the difficulties involved in dispatching of physical copies of the Notice of the 70th AGM and the Annual Report for the financial year 2019-20 including therein, inter-alia, the Audited Standalone and Consolidated Financial Statements for the financial year ended 31st March, 2020, are being sent only by email to the Members. Therefore, those Members, whose email address is not registered with the Company or with their respective Depository Participant/s and who wish to receive the Notice of the 70th AGM and the Annual Report for the year 2019-20 and all other communication sent by the Company, from time to time, can get their email address registered by following the steps as given below:-
 - a. For Members holding shares in physical form, please send scan copy of a signed request letter mentioning your folio number, name, complete address, email address to be registered along with scanned self attested copy of the PAN and any document (such as Driving Licence, Passport, Bank Statement, AADHAR) supporting the registered address of the Member, by email to the Company's email address investors@ipca.com.
 - b. For the Members holding shares in demat form, please update your email address through your respective Depository Participant/s.

16. The Notice of the 70th AGM and the Annual Report for the financial year 2019-20 including therein, inter-alia, the Audited Standalone and Consolidated Financial Statements for the financial year ended 31st March, 2020, will be available on the website of the Company at www.ipca.com and the website of BSE Limited at www.bseindia.com and The National Stock Exchange of India Ltd. www.nseindia.com. The Notice of 70th AGM will also be available on the website of NSDL at www.evoting.nsdl.com.
17. The Register of Members and Share Transfer Books of the Company will remain closed from Saturday, 12th September, 2020 to Thursday, 17th September, 2020 (both days inclusive) for the purpose of the Annual General Meeting.
18. Members are requested to:
- intimate to the Company / their Depository Participant (“DP”), changes, if any, in their registered address at an early date;
 - quote their Registered Folio No. and/or DP Identity and Client Identity number in their correspondence;
 - encash the dividend warrants on their receipt as dividend amounts remaining unclaimed for seven years are required to be transferred to the ‘Investor Education and Protection Fund’ established by the Central Government under the provisions of the Companies Act, 2013. Pursuant to Section 124(5) of the Companies Act, 2013, all unclaimed dividend declared and paid upto interim dividend for the financial year 2012-13 have been transferred by the Company to the Investor Education and Protection Fund. Members who have not encashed their dividend warrants for subsequent period are requested to encash the same immediately.
 - Pursuant to the provisions of Section 124 (6) of the Companies Act, 2013 and the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company has transferred all shares in respect of which dividend has not been encashed by the shareholders for seven consecutive years or more in the name of Investor Education and Protection Fund (IEPF). The shareholders who wish to claim the said shares from the IEPF may claim the same by filing e-form No. IEPF-5 as prescribed under the said Rules available on iepf.gov.in along with requisite fee as decided by the Authority from time to time. The Member/claimant can file only one consolidated claim in a financial year as per the IEPF Rules and amendments thereto.
 - Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details such as bank account number, name of the bank and branch details, MICR code and IFSC code, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their depository participant (DP). Changes intimated to the DP will then be automatically reflected in the Company’s records which will help the Company and the Company’s Registrars and Transfer Agents, Link Intime India Pvt. Ltd. (Link Intime) to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes to Link Intime.
 - The Securities and Exchange Board of India (“SEBI”) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to Link Intime India Pvt. Ltd..
19. As required by the National Stock Exchange (NSE), the Company has sent the following corrigendum to all the shareholders whose email ids are registered with the Company as well as issued the following corrigendum in the newspapers on 1st November, 2019 :

Corrigendum to the Notice dated 26th September, 2019 of the Extraordinary General Meeting of the Company held on 24th October 2019

In the explanatory statement to the Notice dated 26th September 2019 issued by the Company for holding Extraordinary General Meeting of the members of the Company for approval for issuance of 5,00,000 warrants convertible into equity shares to the Promoters/ members of the Promoter Group of the Company, under the sub-heading (h):- identity of the natural persons who are ultimate beneficial owners of the shares proposed to be allotted and/or who ultimately control the proposed allottees which are entities, was inadvertently mentioned as Mr. Premchand Godha and his family members which instead shall be read as under:-

Name of the proposed allottee	Ultimate Beneficial Owners of the proposed allottee(s) (as mentioned in the said Notice)	Ultimate Beneficial Owners of the proposed allottee(s) (to be corrected and read as)
M/s. Kaygee Investments Private Limited	Mr. Premchand Godha and his family members	Mr. Premchand Godha Mrs. Usha Godha Mr. Pranay Godha Mr. Prashant Godha
M/s. Kaygee Laboratories Private Limited	Mr. Premchand Godha and his family members	Mr. Premchand Godha Mrs. Usha Godha Mr. Pranay Godha Mr. Prashant Godha
M/s. Paschim Chemicals Private Limited	Mr. Premchand Godha and his family members	Mr. Premchand Godha Mrs. Usha Godha Mr. Pranay Godha Mr. Prashant Godha

Except as mentioned above, all the other notes, resolution, terms, conditions, explanatory statement and other information contained in the said Notice shall remain unchanged.

20. During Fiscal 2019, the Securities and Exchange Board of India ('SEBI') and Ministry of Corporate Affairs ('MCA') has mandated that existing Members of the Company who hold securities in physical form and intend to transfer their securities after 1st April, 2019, can do so only in dematerialized form. Therefore, Members holding shares in physical form are requested to consider converting their shareholding to dematerialised form to eliminate all risks associated with physical shares for ease of portfolio management as well as for ease of transfer.

21. The information required to be provided regarding the directors seeking re-appointment is furnished in the Report on Corporate Governance which is annexed.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**Item No. 5**

The Board of Directors on the recommendation of the Audit Committee have appointed M/s ABK & Associates, Cost Accountants (Firm Registration No. 000036) as the Cost Auditors of the Company for the financial year 2020-21. A Certificate issued by the above firm regarding their eligibility for appointment as Cost Auditors will be available for inspection electronically by the members without any fee from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect this certificate can send an email to investors@ipca.com.

As per Rule 14 of the Companies (Audit and Auditors) Rules 2014, the remuneration payable to the Cost Auditors is to be ratified by the shareholders. The Board has decided the remuneration payable to M/s. ABK & Associates as Cost Auditors as mentioned in the resolution on the recommendation of the Audit Committee. Hence this resolution is put for the consideration of the shareholders.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 5.

The Board of Directors accordingly recommend the resolution set out at Item No. 5 of the accompanying Notice for the approval of the members.

Deferred Tax Asset	(5.47)	(12.40)	(5.78)	(12.13)
Net Profit	652.46	454.91	603.56	442.22

TRANSFER TO RESERVES

The Company does not propose to transfer any amount to the general reserve out of the amount available for appropriation.

FINANCIAL STATEMENTS

The standalone and consolidated financial statements are prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

In accordance with Indian Accounting Standard (Ind AS-110), the audited consolidated financial statements are also provided in the Annual Report.

CREDIT RATING

During the year under report, CARE Ratings has re-affirmed CARE AA; Stable / Care A1 + (Double A; Outlook: Stable / A One Plus) ratings to the Company's long term / short term bank facilities (fund based / non-fund based) amounting to ₹ 1140 crores.

COVID -19 PANDEMIC

In the last quarter of the financial year 2019-20, the coronavirus disease developed rapidly into a global pandemic with many governments declaring lockdowns forcing citizens to stay indoors and complete disruption of all the economic activities resulting into unprecedented economic disruption globally and in India.

Being manufacturers of pharmaceuticals and hence provider of essential services and exempted from lockdown, the manufacturing facilities of your Company continued with the manufacturing operations at all its manufacturing sites albeit with initial challenges such as shortage of manpower, availability of raw materials, packing materials and disruptions in the logistics and supply chain.

Your Company is continuously monitoring the situation closely and has taken/continue to take all the measures to comply with the guidelines issued by the local authorities, from time to time, to ensure the safety of its workforce across all its manufacturing plants, R&D centers and the offices.

The continued manufacturing and supply of active pharmaceutical ingredients and dosage forms to our customers across the globe, spanning over 100 countries in these testing times and most challenging conditions, have reinforced the customer confidence in your Company.

Your Company is also confident that the inherent business model of the Company, which to a great extent is resilient to such market disturbances, will navigate the challenges which are ahead of us and that the Covid-19 pandemic generally is not expected to impact Company's capital and financial resources, assets, profitability, liquidity position and ability to service debts.

However, the extent to which the Covid-19 pandemic may impact the Company, its operations and financials will depend on future development in this regard which as we write this report are highly uncertain.

MANAGEMENT DISCUSSION AND ANALYSIS

a. Industry Structure and Development

The global pharmaceutical market is estimated to be about US\$ 1.3 trillion and was hitherto comfortably growing at a CAGR of about 4%. However, it is to be seen how the Covid -19 pandemic, which has caused unprecedented economic disruption and has put tremendous pressure on healthcare system globally, will impact this industry going forward.

Though, the pharmaceutical industry is developing at a rapid pace, this growth won't come easily for the industry that is heavily influenced by healthcare reforms, cost pressure, economic and political fluidity, public demand for lower cost treatment, economic consolidation, increased competition and changing regulatory landscape with increased scrutiny.

The market growth for pharmaceuticals globally was led by 1% plus annual global increase in the population and ageing at the same time. The increasing urbanization and growing middle income population making drugs available and affordable for more people has also lead to this market growth. As population ages due to increasing life expectancy, people require pharmaceuticals to treat their chronic illness, spurring demand for industry products in future.

Thanks to advances in science and technology, the research based pharmaceutical industry is entering an exciting new era in medicine development. The research methods are evolving and the innovative pharmaceutical industry aims to turn fundamental research into innovative treatments that are widely available and accessible to patients.

b. Outlook, Risks and Concerns

The Indian pharmaceuticals industry is globally respected and is one of the most successful industries in the country. It has contributed significantly to the global healthcare by ensuring quality, accessible and affordable generic medicines around the globe. It has also immensely contributed to India's economic growth.

Although economic woes of certain geographies are impeding the pharmaceutical market growth, the long term outlook for the industry remains positive. The industry growth is driven by ageing population and ever growing middle income group in emerging economies boosting demand for the pharmaceuticals. Additionally, the emergence of new viruses, the latest being SARS-CoV-2 and drug resistant infections, biological agents, immune therapies, etc. will spur research and development activities providing the industry with more products in their drug pipeline with revenue and growth streams.

The Indian pharmaceuticals market is the third largest in terms of volume. India is the biggest provider of generic medications internationally and enjoys a significant position in the world pharmaceuticals sector. The country also has a huge talent pool and scientists having the capability to steer this industry forward to a much greater degree. The cost efficiency also continues to create opportunities for Indian pharmaceutical companies in the emerging global economies. The Indian pharmaceutical industry is expected to outperform the global pharmaceutical industry and grow in the next couple of years and thereby emerge as one of the top 10 pharmaceutical market globally by absolute size. India is also the largest provider of vaccines and generic drugs in the global market.

Indian pharmaceutical companies are focusing on global generic and API business, R&D activities, contract research and manufacturing alliances. India is also fast emerging as a preferred pharmaceuticals manufacturing location. Increasing use of pharmaceutical generics in developed markets to reduce healthcare cost will also provide attractive growth opportunities to Indian generic formulations manufacturers and thus Indian pharmaceutical industry is poised for an accelerated growth in the coming years.

However, poor public healthcare funding and infrastructure, low per capita consumption of medicines in developing and under developed countries including India, currency fluctuations, regulatory issues, government mandated price controls, inflation and resultant all round increase in input costs are few causes of concern.

During the year under report, there was no change in the nature of Company's business.

c. Financial Performance and Operations Review

During the financial year under report, the Company registered on a standalone basis a total income of ₹ 4432.12 crores as against ₹ 3687.74 crores in the previous year, a growth of 20%. On a consolidated basis, the total income of the Company has increased by 23% to ₹ 4715.71 crores as against ₹ 3830.86 crores in the previous financial year.

During the financial year under report, the Earnings before interest, depreciation and taxation on a standalone basis amounted to ₹ 979.45 crores as against ₹ 747.76 crores in the previous financial year. The operations have resulted in a net profit of ₹ 652.46 crores during the financial year under report as against ₹ 454.91 crores in the previous financial year, a growth of 43%.

On a consolidated basis, the Earnings before interest, depreciation and taxation amounted to ₹ 965.89 crores as against ₹ 747.75 crores in the previous financial year. The consolidated operations have resulted in a net profit of ₹ 603.56 crores during the financial year under report as against ₹ 442.22 crores in the previous financial year, a growth of 36%.

The Company's formulations manufacturing sites at Silvassa and SEZ Indore and APIs manufacturing site at Ratlam continue to be under US FDA import alert. However, the US FDA has recently given exemption from import alert to APIs Chloroquine Phosphate and Hydroxychloroquine Sulphate manufactured at the Company's Ratlam APIs manufacturing site and formulations of Hydroxychloroquine Sulphate manufactured at Company's SEZ Indore and Piparia (Silvassa) manufacturing sites.

The US FDA recently inspected the Company's formulations manufacturing unit situated at Piparia (Silvassa). This inspection resulted into issue of 3 observations in Form 483 by US FDA. Your Company has submitted comprehensive response to these observations to the US FDA. The Company is awaiting re-inspection by US FDA of its other two manufacturing facilities which are under import alert.

The Company has implemented comprehensive remedial measures at all its manufacturing sites to ensure quality and regulatory compliances. These remedial measures included review of all processes and procedures, revamping of training system, recruitment of senior quality personnel as well as automation of quality control laboratories. The Company is committed to its philosophy of highest quality in manufacturing, operations, systems, integrity and cGMP culture.

Except US FDA import alert on three of its manufacturing sites, none of the Company's manufacturing sites have any outstanding regulatory or compliance issues with any other regulatory agency.

Break-up of Sales (standalone)								(₹ Crores)
	2019-20				2018-19			
	Domestic	Exports	Total	Growth	Domestic	Exports	Total	Growth
Formulations	1912.61	1221.55	3134.16	16%	1646.83	1048.26	2695.09	11%
APIs & Intermediates	250.93	922.20	1173.13	33%	201.98	682.58	884.56	18%
Total Sales	2163.54	2143.75	4307.29	20%	1848.81	1730.84	3579.65	13%
Growth	17%	24%	20%		15%	11%	13%	

d. Key Financial Ratios (standalone)

		31 st March, 2020	31 st March, 2019
1.	Debtors Turnover Ratio	5.86	5.84
2.	Inventory Turnover Ratio	3.11	3.21
3.	Interest Coverage Ratio	62.91	41.39
4.	Current Ratio	2.18	2.25
5.	Debt Equity Ratio	0.11	0.11
6.	Operating Profit Margin (%)	17.19%	14.86%
7.	Net Profit Margin (%)	14.72%	12.34%
8.	Return on Net Worth (%)	17.74%	14.50%

Due to increase in the sales and improvement in operational performance and efficiency, which has resulted into increased profitability, most of the above key financial ratios have improved substantially.

e. International Business

The products of the Company are now exported to over 100 countries across the globe. During the financial year under report, the international business amounted to ₹ 2143.75 crores as against ₹ 1730.84 crores in the previous year, a growth of 24%. Formulation exports of the Company increased by 17% to ₹ 1221.55 crores and exports of APIs and Drug Intermediates increased by 35% to ₹ 922.20 crores.

Others	4%	4%
TOTAL	100%	100%

Europe

The Company achieved European export sales of ₹ 635.48 crores during the financial year under report as against sales of ₹ 532.82 crores in the previous year, a growth of 19%.

The Company has developed and submitted 62 generic formulation dossiers for registration in Europe out of which 61 dossiers are registered. The Company has also obtained certificate of suitability (COS) of 46 APIs from European Directorate for Quality Medicines.

Africa

The Company achieved export sales of ₹ 342.93 crores to Africa during the financial year under report as against ₹ 304.50 crores in the previous year, a growth of 13%.

The Company exports branded and generic formulations as well as APIs to many African countries. The Company markets branded formulations in Africa through dedicated field force. The Company also supplies generics formulations to South Africa.

The Company is expanding its branded formulations business in this continent through expansion of geographical coverage and increase in the number of branded formulations marketed. The Company is also continuously filing new formulation dossiers for registration in the African countries.

As informed in the previous year, The Global Fund has once again selected your Company as their panel supplier of anti-malarial medicines for the Global Fund Pooled Procurement mechanism and private sector co-payment mechanism and their orders for anti-malarial medicines have now started coming. Your Company has now started manufacturing and supplying of recently pre-qualified formulations of Artemether + Lumefantrine dispersible tablets and Artesunate Injectable to various institutions.

The Company has filed 64 dossiers of generic formulations for registration in South Africa out of which 42 dossiers are registered till date.

Americas

The Company achieved sales of ₹ 431.76 crores in this continent as against ₹ 296.90 crores in the previous year, a growth of 45%. As reported earlier, the US formulations and APIs business continues to be impacted due to ongoing US FDA import alert for three of the Company's manufacturing facilities.

46 ANDA applications of generic formulations developed by the Company are filed with US FDA out of which 18 ANDA applications are

granted till date. 46 DMFs of the Company are also currently filed with US FDA.

Asia

The Asian business (excluding India) recorded sales of ₹ 386.51 crores as against ₹ 287.36 crores in the previous year, a growth of 35%. The Company exports formulations as well as APIs to several Asian countries. In countries like Nepal, Sri Lanka, Myanmar, Philippines and Vietnam, the Company markets its branded formulations through dedicated field force.

Confederation of Independent States (CIS)

The Company's CIS business recorded sales of ₹ 184.49 crores as against ₹ 165.67 crores in the previous year, a growth of 11%. Most of the business is from branded formulation sales in Russia, Ukraine, Kazakhstan and Belarus. The Company's branded formulations are marketed in this continent by its own field force appointed through its non-trading offices.

Australasia

The Company exports APIs to Australia and formulations to Australia and New Zealand in this sub-continent. The business from this continent was ₹ 162.58 crores during the financial year under report as against ₹ 143.59 crores in the previous year, a growth of 13%.

The Company has developed and submitted 75 generic formulation dossiers for registration in this market out of which 72 dossiers are registered.

f. Domestic Formulations Business

The Company's formulations business in India now comprises of 15 marketing divisions focusing on key therapeutic segments. Your Company is now the 19th largest in the domestic formulations market as per IMS Health - MAT March, 2020.

During the financial year under report, the domestic formulations business recorded a growth of 16% at ₹ 1912.61 crores as against ₹ 1646.83 crores in the previous year.

Domestic Branded Formulations - Therapeutic Contribution

Therapeutic segment	2019-20	2018-19
	% to sales	% to sales
Pain Management	47%	46%
Cardiovasculars & Anti-diabetics	18%	20%
Anti-malarials	6%	6%
Anti-bacterials	8%	7%
Dermatology	5%	5%
Gastro Intestinal (G I) products	3%	4%
Cough Preparations	4%	4%
Neuro Psychiatry	3%	3%
Urology	3%	3%
Neutraceuticals	1%	1%
Others	2%	1%
Total	100%	100%

g. Active Pharmaceutical Ingredients (APIs) and Intermediates Business

During the financial year under report, the APIs and Intermediates business recorded sales of ₹ 1173.13 crores as against ₹ 884.56 crores in the previous financial year, a growth of 33%. Nearly 79% of the APIs and Intermediates business is from exports.

The Company exports its APIs across the globe. Most of the international customers of the Company are end user formulations manufacturers including several multinational companies.

Your Company is in the process of commercializing several new APIs for the global market.

h. New APIs manufacturing unit at Dewas (M.P.)

The Company is in the process of setting up a new APIs manufacturing unit at Dewas (M.P.) with an initial capital outlay of about Rs. 250 crores. The land for this project has been acquired and the Company is currently in process of obtaining the environmental approvals.

i. Intellectual Property Protection

The Company has created intellectual property management group within the Research and Development centers to deal with management and protection of intellectual property. The Company has filed many patent applications till date in India, USA and other countries. These applications relate to novel and innovative manufacturing processes for the manufacture of APIs and pharmaceutical formulations.

j. Internal Control Systems and its adequacy

The Company has adequate internal control systems including suitable monitoring procedures commensurate with its size and the nature of the business. The internal control systems provide for all documented policies, guidelines, authorization and approval procedures. The Company has an internal audit department which carries out audits throughout the year. The statutory auditors while conducting the statutory audit, review and evaluate the internal controls and their observations are discussed with the Audit committee of the Board.

k. Human Resources

The human resource plays a vital role in the growth and success of an organization. The Company has maintained cordial and harmonious relations with employees across various locations.

During the year under review, various training and development workshops were conducted to improve the competency level of employees with an objective to improve the operational performance of individuals. The Company has built a competent team to handle challenging assignments. The Company strives to enhance the technical, work related and general skills of employees through dedicated training programs on a continuous basis.

The Company has 14,066 permanent employees (including 707 overseas employees) as on 31st March, 2020 out of which 6681 employees are engaged in the marketing and distribution activities.

l. Cautionary Statement

Certain statement in the management discussion and analysis may be forward looking within the meaning of applicable securities law and regulations and actual results may differ materially from those expressed or implied. Factors that would make differences to Company's operations include competition, price realization, currency fluctuations, regulatory issues, changes in government policies and regulations, tax regimes, economic development within India and the countries in which the Company conducts business and other incidental factors.

MATERIAL CHANGES AND COMMITMENTS AFTER THE END OF THE FINANCIAL YEAR

No material changes or commitments affecting the financial position of the Company have occurred between the end of the financial year to which financial statements in this report relate and the date of this report.

SHARE CAPITAL

The paid-up share capital of the Company as at 31st March, 2020 was 12,63,52,109 equity shares of ₹ 2/- each aggregating to ₹ 25.27 crores.

Pursuant to the special resolution passed by the members of the Company at the Extra Ordinary General Meeting held on 24th October, 2019 and subject to applicable laws, rules and regulations, circulars, notifications, clarifications and guidelines issued, the Board of Directors of the Company at their meeting held on 7th November, 2019 have allotted 5,00,000 convertible warrants to the members of Promoters / Promoter Group of the Company with a right to the warrant holders to apply for and be allotted 1 (one) equity share of ₹ 2/- each of the Company at a price of ₹ 955/- per share (including premium of ₹ 953/- per share), for each warrant, within a period of 18 months from the date of allotment of the said warrants.

EMPLOYEES STOCK OPTION SCHEME (ESOS)

The Company has a scheme - Ipca Laboratories Ltd. Employees Stock Option Scheme – 2014 (ESOS) approved by the Board of Directors as well as Company's shareholders. This ESOS is in compliance with SEBI (Share Based Employee Benefits) Regulations, 2014. There was no change made in this ESOS Scheme during the financial year under report.

However, currently there are no outstanding options issued under the Company's ESOS.

The necessary disclosure pursuant to Regulation 14 of SEBI (Share Based Employee Benefits) Regulations, 2014 is furnished on the website of the Company www.ipca.com (weblink <https://www.ipca.com/wp-content/pdf/financials/ESOP-2014.pdf>).

SUBSIDIARY, JOINT VENTURE AND ASSOCIATE COMPANIES

During the year under report, the Company has acquired 100% paid-up share capital of M/s. Ramdev Chemical Private Limited on 24th

April, 2019 for cash @ Rs. 108.50 crores. Consequent to this share acquisition, M/s. Ramdev Chemical Pvt. Ltd. has become Company's wholly owned subsidiary. M/s. Ramdev Chemical Pvt. Ltd., a company incorporated in the year 1999 under the Companies Act, 1956 is engaged in the business of manufacturing and marketing of advanced drug intermediates, fine chemicals, custom synthesis molecules and active pharmaceutical ingredients.

The Hon'ble National Company Law Tribunal (NCLT), Mumbai Bench on 22nd January, 2020 has approved the Resolution Plan submitted by the Company for M/s. Noble Explochem Ltd. under the Insolvency & Bankruptcy Code, 2016 (IBC). As per the provisions of the IBC, the resolution plan which is approved by the Hon'ble NCLT is binding on the Company, the said Noble Explochem Ltd and its employees, members, creditors, guarantors and all the other stakeholders involved. As per the approved Resolution Plan, the Company has paid Rs. 69 crores as full and final settlement towards all liabilities of the said M/s. Noble Explochem Ltd, secured or unsecured, known or unknown, contingent or otherwise, disputed or undisputed, present or future, towards its financial creditors, insolvency resolution process cost, operational creditors, workmen and employees. In line with The Securities & Exchange Board of India (Delisting of Equity Shares) (Amendment) Regulations 2018, the approved Resolution Plan provides for delisting and cancellation of the entire equity share capital of the said M/s. Noble Explochem Ltd., without any consideration to any of its shareholders, as well as the merger of the said M/s. Noble Explochem Ltd. with the Company. The Company proposes to make use of M/s. Noble Explochem's vast land bank and infrastructure facility to set up manufacturing unit(s) for manufacturing of Drug Intermediates and Active Pharmaceutical Ingredients (APIs).

There has been no material change in the nature of the business of the subsidiaries. The Company has no subsidiary which can be considered as material within the meaning of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In accordance with the provisions of Section 136(1) of the Companies Act, 2013, the following have been placed on the website of the Company www.ipca.com.

- a) Annual Report of the Company containing therein its standalone and the consolidated financial statements; and
- b) Audited annual accounts of each of the subsidiary companies.

As required, the financial data of the subsidiaries, joint venture and associate companies is furnished in the prescribed Form AOC-1 as an Annexure to the consolidated financial statements.

Pursuant to the provisions of Section 129(3) of the Companies Act, 2013, the consolidated financial statements of the Company are attached.

RESEARCH & DEVELOPMENT (R&D)

The Company has always considered Research and Development (R&D) as crucial for the sustained growth of the Company. In the recent years, the Company has stepped-up investments in R&D to keep pace with the changing domestic and global scenario.

The Company has R&D centers at Mumbai, Ratlam, Athal (Silvassa) and Ranu (Vadodara) which are duly recognized by the Government of India, Ministry of Science and Technology, Department of Scientific & Industrial Research (DSIR). These R&D centers are also approved by the prescribed authority under Section 35 (2AB) of the Income Tax Act, 1961 for availing weighted tax benefit on the R&D expenditure.

The R&D expenditure of the Company during the financial year was ₹ 101.04 crores (2.35% of the turnover) as against ₹ 89.35 crores (2.50% of the turnover) in the previous year.

With qualified and experienced research scientists and engineers manning the research and development activities, the Company has focused its thrust on new and innovative process and product development for the manufacture of APIs with non-infringing processes. Apart from development of new dosage forms and drug delivery systems, improvement in processes and yield as well as cost reduction are also focus areas.

DIVIDEND

Your directors have already announced and paid an interim dividend of ₹ 5/- per share (250%) for the financial year under report. It is not proposed to declare any further dividend for the financial year ended 31st March, 2020. The interim dividend paid for the financial year under report is in line with the Company's dividend distribution policy which is placed on the Company's website www.ipca.com.

The dividend and applicable dividend tax amounting to ₹ 76.16 crores paid as interim dividend will be appropriated out of the profits for the year.

INVESTORS EDUCATION AND PROTECTION FUND (IEPF)

During the year under report, the Company has transferred to the Investors Education and Protection Fund (IEPF) all the unpaid dividend amounts required to be so transferred on or before the due date(s) for such transfer. The Company has also transferred to IEPF, such of the Company's equity shares in respect of which the dividend declared has not been paid or claimed for seven consecutive years.

The details of the unpaid / unclaimed dividends for the last seven financial years are available on the website of the Company www.ipca.com.

The Company has appointed its Company Secretary as the nodal officer under the provisions of IEPF.

DIRECTORS

Mr. Ajit Kumar Jain and Mr. Pranay Godha retire by rotation at the ensuing Annual General Meeting and, being eligible, offer themselves for re-appointment.

Mr. Anand Kusre, Mr. Dev Parkash Yadava and Dr. (Ms.) Manisha Premnath have been re-appointed as Independent Directors for a second (another) term of five consecutive years with effect from 1st April, 2019 till 31st March, 2024 pursuant to the special resolutions passed by the members of the Company through Postal Ballot on 27th March, 2019. The shareholders of the Company have also approved the appointment of Mr. Kamal Kishore Seth as an Independent Director of the Company for a period of 5 years from 29th March, 2019 till 28th March, 2024.

Mr. Anand Kusre, Mr. Dev Parkash Yadava, Dr. (Mrs.) Manisha Premnath and Mr. Kamal Kishore Seth, who are independent directors, have submitted declaration that each of them meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 and SEBI (LODR) Regulations and there has been no change in the circumstances which may affect their status as independent directors during the year.

None of the directors of the Company are debarred from holding the office of Director by virtue of any SEBI order or order by any other competent authority.

In the opinion of the Board, the independent directors possess appropriate balance of skills, experience and knowledge, as required.

A brief note on Directors retiring by rotation and eligible for re-appointment is furnished in the Report on Corporate Governance annexed herewith.

KEY MANAGERIAL PERSONNEL

During the financial year under report, the following persons continue to be the Key Managerial Personnel of the Company:

Mr. Premchand Godha	-	Chairman & Managing Director/CEO
Mr. Ajit Kumar Jain	-	Joint Managing Director / CFO
Mr. Pranay Godha	-	Executive Director
Mr. Prashant Godha	-	Executive Director
Mr. Harish P. Kamath	-	Corporate Counsel & Company Secretary

There was no change in the Key Managerial Personnel during the financial year under report.

POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION AND OTHER DETAILS

The Nomination and Remuneration Committee has laid down the criteria for Directors' appointment and remuneration including criteria for determining qualification, positive attributes and independence of a Director. The following attributes/criteria for selection have been laid by the Board on the recommendation of the Committee:

- the candidate should possess the positive attributes such as leadership, entrepreneurship, business advisor or such other attributes which in the opinion of the Committee are in the interest of the Company;
- the candidate should be free from any disqualification as provided under Sections 164 and 167 of the Companies Act, 2013;
- the candidate should meet the conditions of being independent as stipulated under the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, in case of appointment as an independent director; and
- the candidate should possess appropriate educational qualification, skills, experience and knowledge in one or more fields of finance, law, management, sales, marketing, administration, research, corporate governance, technical operations, infrastructure, medical, social service, professional teaching or such other areas or disciplines which are relevant for the Company's business.

BOARD EVALUATION

The Nomination and Remuneration Committee lays down the criteria for performance evaluation of independent directors, Board of Directors and Committees of the Board. The criteria for performance evaluation is based on the various parameters like attendance and participation at meetings of the Board and Committees thereof, contribution to strategic decision making, review of risk assessment and risk mitigation, review of financial statements, business performance and contribution to the enhancement of brand image of the Company.

The Board has carried out evaluation of its own performance as well as that of the Committees of the Board and all the Directors.

The annual evaluation was carried out in the following manner:

Sr. No.	Performance evaluation of	Performance evaluation performed by
1.	Board and individual directors	Board after seeking inputs from all directors
2.	Board Committees	Board seeking inputs from all committee members
3.	Individual directors	Nomination and Remuneration committee
4.	Non-independent directors, Board as a whole and the Chairman	Separate meeting of independent directors after taking views from executive directors
5.	Board, its Committees and individual directors	At the board meeting held after the meeting of the independent directors based on evaluation carried out as above.

PROFICIENCY OF DIRECTORS

All the independent directors of the Company have registered their names in the database maintained by the Indian Institute of Corporate Affairs, Manesar, Haryana. Those of the independent directors who are not otherwise exempted shall appear for the common proficiency test conducted by the said institute within the prescribed time.

REMUNERATION POLICY

The objective and broad framework of the Company's Remuneration Policy is to consider and determine the remuneration based on the fundamental principles of payment for performance, for potential and for growth. The Remuneration Policy reflects on certain guiding principles of the Company such as aligning remuneration with the longer term interests of the Company and its shareholders, promoting a culture of meritocracy and creating a linkage to corporate and individual performance and emphasising on line expertise and market competitiveness so as to attract the best talent. It also ensures the effective recognition of performance and encourages a focus on achieving superior operational results. The Nomination and Remuneration Committee recommends the remuneration of Directors and Key Managerial Personnel which is approved by the Board of Directors, subject to the approval of shareholders, where necessary. The level and composition of remuneration shall be reasonable and sufficient to attract, retain and motivate the directors, key managerial personnel and other employees of the quality required to run the Company successfully. The relationship of remuneration to performance should be clear and meet appropriate performance benchmarks. The remuneration to directors, key managerial personnel and senior management personnel should also involve a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals. The Remuneration Policy is placed on the Company's website www.ipca.com.

Information about elements of remuneration package of individual directors is provided in the extract of the Annual Return as provided under Section 92(3) of the Companies Act, 2013 which is annexed.

FAMILIARISATION PROGRAM FOR INDEPENDENT DIRECTORS

Details of the familiarisation programs for independent directors are disclosed on the website of the Company www.ipca.com.

MEETINGS OF THE BOARD AND COMMITTEES THEREOF

This information has been furnished under Report on Corporate Governance, which is annexed.

PRACTISING COMPANY SECRETARIES CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members of
Ipca Laboratories Limited

We have examined the compliance of the conditions of Corporate Governance by Ipca Laboratories Limited ('the Company') for the year ended on March 31, 2020, as stipulated under Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2020.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

ANNEXURE 2

FORMAT FOR THE ANNUAL REPORT ON CSR ACTIVITIES TO BE INCLUDED IN THE BOARD'S REPORT

1. A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs

The Company believes that contributing to the overall health and wellness of our world starts with lessening our impact on the environment and we remain committed to the highest ethical standards in everything we do - right from research and development to sales and marketing.

The Company's Corporate Social Responsibility involves initiatives on a micro level to include patient health, employee and public safety, nurturing of environment and building sustainable communities. The Company also engages with external stakeholders including healthcare professionals, investors, customers, non-governmental organisations and suppliers in this endeavour.

The Company is committed to operate its business with emphasis on CSR in all areas of its operation. The Company integrates its business values and operations to meet the expectations of its shareholders, customers, employees, regulators, investors, suppliers, the community and take care of environment with best interest.

A definite and well structured Corporate Social Responsibility (CSR) policy has been framed by the Company and is available on its website (https://www.ipca.com/wp-content/pdf/corporate-policy/Corporate_Social_Responsibility_Policy.pdf). The CSR policy forms a part of the Company's corporate vision and defines its approach on key responsibility issues.

2. The Composition of the CSR Committee of the Board

Mr. Dev Parkash Yadava	– Independent Director and Chairman of the Committee
Mr. Premchand Godha	– Chairman & Managing Director
Mr. Ajit Kumar Jain	– Joint Managing Director
Mr. Prashant Godha	– Executive Director

3. Average net profit of the company for last three financial years: ₹ 354.65 Crores.

4. Prescribed CSR Expenditure (two percent of the amount as in item 3)

The Company was required to spend an amount of ₹ 7.09 crores as CSR expenditure for the financial year ended 31st March, 2020.

5. Details of CSR spent during the financial year:

a) Total amount to be spent for the financial year: ₹ 7.09 crores.

Amount spent: ₹ 7.03 crores

b) Amount unspent, if any: There is a small unspent amount of ₹ 6 lacs on CSR during the financial year under report. The said amount of ₹ 6 lacs, though was projected to be spent could not be spent in the month of March, 2020 due to covid-19 related lock-down.

c) Manner in which the amount spent during the financial year is detailed below:

	How frequently it is published?	Please see the answer above.

SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1 – Businesses should conduct and govern themselves with Ethics, Transparency and Accountability	
1	Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others? The policy covers all the stakeholders of the Company, internal as well as external.

2	How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management?
	Other than normal business related complaints in the ordinary course of the Company's business, no other material complaint has been received from any of the stakeholder in the financial year under report. All the complaints received are satisfactorily resolved.

Principle 2 - Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

1	List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.
(a)	All the pharmaceuticals manufactured by the Company meet the pharmacopeial requirements.
(b)	Pharmacovigilance activities are carried out in the markets serviced by the Company.
(c)	Safety/Stability of the products are continuously monitored as per the standard operating procedures of the Company.
2	For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product(optional)
(a)	Reduction during sourcing/production/ distribution achieved since the previous year throughout the value chain? The Company monitors these activities on a continuous basis. However, in view of varied nature of products and packs, the compilation of accurate information is not feasible.
(b)	Reduction during usage by consumers (energy, water) has been achieved since the previous year? Please see the information furnished under (a) above.
3	Does the company have procedures in place for sustainable sourcing (including transportation)? The philosophy of the Company is to continuously work on the indigenization of its key raw materials to reduce dependence on imports and to reduce cost in order to be competitive as well as to have alternate source of dependable supply for uninterrupted supply chain.
(a)	If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so. Due to the Company's policy as stated above, the consumption of imported raw materials as a percentage to sales has been continuously coming down.
4	Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? Yes
(a)	If yes, what steps have been taken to improve their capacity and capability of local and small vendors? The Company provides necessary regulatory and technical support to small vendors providing goods and services to the Company. Regular Vendor Audits are carried out and reports are shared with small vendors for improvement in their quality systems.
5	Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so. Being in the highly regulated industry, re-cycling of products is not possible/permissible. However, wherever possible, industrial solvents are recovered and reused. Similarly, catalysts used in the processes are regenerated and reused.

Principle 3 - Businesses should promote the wellbeing of all employees

1	Total number of employees	14651		
2	Total number of employees hired on temporary/contractual/casual basis.	4864		
3	Number of permanent women employees.	740		
4	Number of permanent employees with disabilities	0		
5	Do you have an employee association that is recognized by management?	Yes		
6	What percentage of your permanent employees is members of this recognized employee association?	13.65%		
7	Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.			
	Sr. No	Category	No of complaints filed during the financial year	No of complaints pending as on end of the financial year
	1	Child labour/forced labour/ involuntary labour	None	None
	2	Sexual harassment (for the calendar year 2019)	5	None
	3	Discriminatory employment	None	None

	The Company has adopted a policy in line with the requirements of Prevention of Sexual Harassment of Women at the Workplace and a Committee has been set-up to redress sexual harassment complaints received. The necessary annual report has been submitted to the competent authority in this regard.	
8	What percentage of your under mentioned employees were given safety & skill upgradation training in the last year?	
(a)	Permanent Employees	All employees are trained on safety and job skills before their induction in the organization. Also need based regular safety and job skills trainings as well as re-trainings are imparted based on requirements and observations.
(b)	Permanent Women Employees	
(c)	Casual/Temporary/Contractual Employees	
(d)	Employees with Disabilities	

Principle 4 - Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized.

1	Has the company mapped its internal and external stakeholders?
	Yes. The Company has mapped its internal and external stakeholders.
2	Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders?
	Yes.
3	Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof, in about 50 words or so
	Company generally provides its highest attention to the needs of disadvantaged and marginalized stakeholders.

Principle 5 - Businesses should respect and promote human rights

1	Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?
	The Company's policy on human rights extends to subsidiaries and group companies / ventures.
2	How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?
	No complaints were received in the financial year under report in respect of violation of human rights.

Principle 6 - Business should respect, protect, and make efforts to restore the environment

1	Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.
	Extends to Company as well as Company's subsidiaries and group companies.
2	Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.
	The Company has strategies / initiatives to address global environmental issues. The approach includes setting up use of renewable power supply like solar energy, sourcing of power from wind mills, replacement of coal with agri waste briquettes for boilers, enhanced solvent recovery, water conservation thru 3R (reduce, recycle, replenish) water management principles, etc.
3	Does the company identify and assess potential environmental risks?
	Yes
4	Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?
	The Company has invested / is in the process of investing about Rs. 40 crores in the generation of solar / wind power energy for use by its manufacturing units, R&D centres and offices.
5	Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.
	Please see answer to item 2 above.
6	Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?
	Yes. All manufacturing plants comply with the permissible limits for air emissions, effluent quality and discharge, solid and hazardous waste generation and disposal as per consents / authorizations.
7	Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.
	None pending unattended / unresolved as at the financial year end.

Principle 7 - Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner	
1	Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with: The Company is a member of Indian Drugs Manufacturing Association (IDMA), Indian Pharmaceuticals Association (IPA), etc.
2	Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas The Company has lobbied through the associations in respect of the policies passed / to be passed by the Government and relating to pharmaceuticals industry sector for advancement of pharmaceutical industry as well as for advancement of economy and public good.

Principle 8 - Businesses should support inclusive growth and equitable development	
1	Does the company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof. Yes. The Company's initiatives and programs are in the activities such as promotion of education, vocational training & skill improvement, healthcare, rural development, etc.
2	Are the programmes/projects undertaken through in-house team/own foundation/ external NGO/government structures/ any other organization? The programs and projects undertaken through in-house teams as well as through other charitable organizations.
3	Have you done any impact assessment of your initiative? Impact assessment is not done through any independent agency.
4	What is your company's direct contribution to community development projects- Amount in INR and the details of the projects undertaken? This information has been provided under CSR Report of the Company. The total amount spent in the financial year under report is Rs. 7.03 crores.
5	Have you taken steps to ensure that this community development initiative is successfully adopted by the community? The company generally monitors its CSR spent towards community development initiatives.

Principle 9 - Businesses should engage with and provide value to their customers and consumers in a responsible manner	
1	What percentage of customer complaints/consumer cases are pending as on the end of financial year. There are no consumer cases pending against the Company.
2	Does the company display product information on the product label, over and above what is mandated as per local laws? No. Being in a highly regulated industry, the Company has to strictly follow mandated laws.
3	Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/ or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof None
4	Did your company carry out any consumer survey/ consumer satisfaction trends? Yes. The Company carries out pharmacovigilance activities and the reports are filed with the regulators on a regular basis.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

(Pursuant to Section 204 (1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members,
Ipca Laboratories Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Ipca Laboratories Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, to the extent the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2020, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on 31st March, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the audit period)
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not applicable to the Company during the audit period)
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the audit period) and
 - (h) Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during the audit period)
- (vi) Other laws applicable specifically to the Company namely:
 - (1) Pharmacy Act, 1948,
 - (2) Drugs and Cosmetics Act, 1940,
 - (3) Drugs and Magic Remedies (Objectionable Advertisement) Act, 1954,
 - (4) Narcotic Drugs and Psychotropic Substances Act, 1985,
 - (5) Drugs Prices Control Order, 2013

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings.
- (ii) The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and

Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board Meetings were taken unanimously.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company had following events which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

- (i) The Board of Directors of the Company have allotted 5,00,000 convertible warrants to the members of Promoters / Promoter Group of the Company with a right to the warrant holders to apply for and be allotted 1 (one) equity share of Rs. 2/- each of the Company at a price of Rs. 955/- ,per share (including premium of Rs. 953/ - per share), for each warrant, within a period of 18 months from the date of allotment of the said warrants.
- (ii) The Hon'ble National Company Law Tribunal (NCLT), Mumbai Bench on 22nd January, 2020 has approved the Resolution Plan submitted by the Company for acquisition of M/ s. Noble Explochem Ltd. (NEL) under the Insolvency & Bankruptcy Code, 2016 (IBC).The said NCLT order also provides for delisting and cancellation of the entire paid-up share capital of NEL without any consideration to any of its shareholders and also provides for merger of the NEL with the Company as well as delisting of the NEL's shares from the Stock Exchange.
- (iii) The Company has entered into a Share Purchase Agreement (SPA) to acquire 100% paid-up share capital of Ramdev Chemical Private Limited, a company incorporated in 1999 under Companies Act, 1956 and engaged in the business of manufacturing and marketing of advanced drug intermediates, fine chemicals, custom synthesis molecules and active pharmaceutical ingredients.

INDEPENDENT AUDITOR'S REPORT

To the members of Ipca Laboratories Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **Ipca Laboratories Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020 and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules framed thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters:

Sr. No.	Key Audit Matters (KAMs)	How the KAMs were addressed in our audit
1.	<p>Inventory Valuation</p> <p>Refer note (C)(g) of the Statement of Significant Accounting Policies.</p> <p>The Company manufactures and sells pharmaceutical products which carry shelf life. As a result, significant level of judgement is involved in estimating inventory valuation. Judgement is required to assess the appropriate net realisable value for short dated pharmaceutical products. Such judgements include management expectations for future sales and inventory liquidation plans.</p>	<p>Our procedures included, amongst others:</p> <ul style="list-style-type: none"> • We attended stock counts to identify whether any inventory was obsolete; • We assessed the basis for the inventory valuation, the consistency in policy and the rationale in its application; • We tested the accuracy of the ageing of inventories based on system generated reports; • We tested the arithmetical accuracy of valuation files; and • We reviewed product-wise historical data relating to sales return etc. and also its impact on valuation.
2.	<p>Impairment of Property, plant & equipment</p> <p>Refer note (C)(b) of the Statement of Significant Accounting Policies.</p> <p>There is a risk of impairment on the Company's property, plant and equipment (PPE) on account of inherent nature of the PPE and the business environment in which the Company operates. As on March 31, 2020 the carrying amount of PPE was Rs. 1,772.78 crores which represent 34.19 % of total assets.</p>	<ul style="list-style-type: none"> • We assessed the determination of the recoverable amount of the PPE based on our understanding of the nature of the Company's business and the economic environment surrounding its operations. • We reviewed the Company's historical performances and held discussions with the Management to understand their assessment of the Company's future performance. This included obtaining an understanding of management's planned strategies around business expansion and revenue growth strategies.

Sr. No.	Key Audit Matters (KAMs)	How the KAMs were addressed in our audit
	<p>The Management determines at the end of each reporting period the existence of any objective evidence that the Company's PPE may be impaired. If there are indicators of impairment of class of assets, the deficit between the recoverable amount of the PPE and its carrying amount would be recognised as impairment loss in profit or loss.</p> <p>The process of identifying indicators of impairment and determining the recoverable amount of the PPE by the Management requires significant judgement and estimation. The determination of the recoverable amounts <i>inter alia</i> requires estimates of forecasted revenues, growth rates, profit margins, tax rates and discount rates.</p>	<ul style="list-style-type: none"> • We also reviewed performance of individual units and carried out analytical review of relevant data. • We assessed management's estimates applied in the value-in-use model and compared them against historical performance and tested the arithmetical accuracy. • We evaluated the sensitivity of the outcomes by considering the downside scenarios against changes to the key assumptions. • We also assessed the adequacy of the related disclosures in the notes to the Standalone Financial Statements.

Information Other than the Standalone Financial Statements and Our Report thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in Annual Report, but does not include the Standalone Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this report.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to Those Charged With Governance and take appropriate actions in accordance with Standards on Auditing.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity, cash flows of the Company in accordance with the Ind AS, other accounting principles generally accepted in India and relevant provisions of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making Judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal

control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatement in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effects of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (Including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid the Standalone Financial Statements comply with Ind AS specified under Section 133 of the Act, read with relevant rules issued thereunder and relevant provisions of the Act;
 - e. On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements;
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section

197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements. Refer Note 35 to the Standalone Financial Statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards for material foreseeable losses, if any, on the long-term contracts including derivative contracts; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure A - referred to in paragraph 1 under “Report on Other Legal and Regulatory Requirements” of our report on even date, to the members of the Company on the Standalone Financial Statements for the year ended March 31, 2020

- (i) (a) The Company has generally maintained proper records showing full particulars including quantitative details and situation of its property, plant and equipment;
- (b) According to the information and explanations given to us, most of the property, plant and equipment of the Company were physically verified by the Management during the year. No material discrepancies were noticed on such verification. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment; and
- (c) Based on audit procedures performed for the purpose of reporting the true and fair view of the Standalone Financial Statements and according to information and explanations given by the Management, the title deeds of immovable properties included in property, plant and equipment and right-of-use of assets are held in the name of the Company except for the following:

Particulars	Gross Block	Net Block	Remark
	As at March 31, 2020 (₹ in Crores)		
Freehold Land	37.90	37.90	The acquisition of these properties was approved by the National Company Law Tribunal vide its order dated January 22, 2020. The process of registration and transfer in the name of the Company is yet to be completed.
Leasehold Land	24.50	24.42	

- (ii) (a) Inventories have been physically verified during the year by the Management. In our opinion, the frequency of verification is reasonable; and
- (b) The discrepancies noticed on physical verification as compared to the book records were not material and have been properly dealt with in the books of account;
- (iii) The Company has granted unsecured loans to its subsidiary, joint venture and associate covered in the register maintained under section 189 of the Act:
- (a) In our opinion, the terms and conditions of the grant of such loans are not prejudicial to the interest of the Company; and
- (b) The loans are not due for repayment presently and therefore, there is no default in its repayment and there is no overdue. Hence, the paragraph 3(iii)(c) of the Order, is not applicable to the Company;
- (iv) Based on audit process applied by us and according to the information and explanations given to us, in our opinion, the Company has complied with the provisions of section 185 and 186 of the Act, in respect of investments made and loans, guarantees and securities granted, as applicable;
- (v) In our opinion and according to the information and explanation given to us, the Company has not accepted deposits from the public and therefore, the provisions of section 73 to 76 or other relevant provisions of the Act and rules framed thereunder are not applicable to the Company. We have been informed that no order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal in this regard;
- (vi) The Central Government has prescribed maintenance of cost records under section 148(1) of the Act, for the products manufactured by the Company. We have broadly reviewed the books of account maintained and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained by the Company. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete;
- (vii) (a) The Company has generally been regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, goods and services tax, cess and other applicable statutory dues with the appropriate authorities;
- (b) The details of dues of income tax, sales tax, service tax, duty of customs, duty of excise or value added tax or cess which have not been deposited with the concerned authorities on account of dispute are given below:

Name of statute	Nature of dues	Amount (₹ in Crores)	Period to which the amount relates	Forum where dispute is pending
Excise Duty	Differential Excise duty on WIP on Debonding	0.23	2009-10	CESTAT, Ahmedabad
Excise Duty	Interest and penalty on past anti-dumping duty & excise duty (Relating to erstwhile Tonira Pharma Limited since amalgamated with the Company)	4.15	Feb 2000 - Nov 2001	High Court, Gujarat

Name of statute	Nature of dues	Amount (₹ in Crores)	Period to which the amount relates	Forum where dispute is pending
Service Tax	Availment of credit of Service Tax on H.O. Invoices	2.92	April'06 to Sept'09	Commissioner, Central Excise, Ujjain (M.P.)
Service Tax	Availment of credit of Service Tax on certain expenses*	0.00	Jan'09 to Sept'09	Dy.Commissioner, Central Excise, Indore (M.P.)

Income Tax	Regular assessment	0.51	2016-17	Appeal before CIT(A)
	Total	14.14		

*Note: Balances with values below the rounding off norm adopted by the Company have been reflected as "0.00".

- (viii) Based on our audit procedure and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to the financial institutions, banks and government. The Company has not issued any debentures;
- (ix) In our opinion, and according to the information and explanations given to us, the money raised by way of term loans have been applied for the purposes for which they were obtained. As the Company has not raised any moneys by way of initial public offer and further public offer (including debt instruments), the provisions of paragraph 3(ix) of the Order, to that extent, are not applicable to the Company;
- (x) To the best of our knowledge and belief and according to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year;
- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197, read with schedule V to the Act;
- (xii) In our opinion and according to information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company;
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards;
- (xiv) In our opinion and according to the information and explanations given to us, the Company is in compliance with the Section 42 of the Act, in respect of the preferential allotment of share warrants during the year as stated in Refer note 10A. Further, in our opinion, the amounts so raised have been used for the purposes for which the funds were raised. The Company has not made allotment of any fully or partly convertible debentures during the year;

- (xv) Based on our audit procedures performed for the purpose of reporting the true and fair view of the Standalone Financial Statements, the Company has not entered into any non-cash transactions with directors. We have been informed that no such transactions have been entered into with person connected with directors. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company; and
- (xvi) The Company is not required to get registered under 45-IA of the Reserve Bank of India Act, 1934.

Annexure B - referred to in paragraph 2(f) under "Report on Other Legal and Regulatory Requirements" of our Independent Auditor's report of even date, to the members of the Company on the Standalone Financial Statements for the year ended March 31, 2020

Report on the Internal Financial Controls with reference to Standalone Financial Statements under section 143(3)(i) of the Act

Opinion

We have audited the internal financial controls with reference to Standalone Financial Statements of **Ipca Laboratories Limited** ("the Company") as of March 31, 2020 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2020 based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

Management's Responsibility for Internal Financial Controls with reference to Standalone Financial Statements

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for Internal Financial Controls with reference to Standalone Financial Statements

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Standalone Statement of Significant Accounting Policies and Other Explanatory Notes

(A) Corporate Information

Ipcalaboratories Limited (CIN L24239MH1949PLC007837) incorporated in the year 1949, is a integrated pharmaceutical company manufacturing and marketing over 350 formulations and 80 API's covering various therapeutic segments. The products of the Company are sold in over 100 countries across the globe. The Company has 17 manufacturing units in India manufacturing API's and formulations for the world market.

Authorization of Standalone Financial Statements

The Standalone financial statements were authorised for issue in accordance with a resolution of the Directors on June 16, 2020.

(B) Basis of Preparation

a) Statement of compliance

The standalone financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 ("the Act"), the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The financial statements have been prepared on a historical cost basis, except for the following :

- a) certain financial assets and liabilities (including derivative instruments) are measured at fair value, and
- b) defined benefit plans - plan assets measured at fair value"

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Use of Judgements, Estimates and Assumption

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of circumstances surrounding the estimates. Changes in estimates are reflected in the financial statement in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

The financial statements require management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods .

i. Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

ii. Defined benefit plans (gratuity benefits)

The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These interalia include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii. Useful lives of property, plant and equipment

The company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

iv. Impairment of property, plant and equipment

For property, plant and equipment and intangibles an assessment is made at each reporting date to determine whether there is an indication that the carrying amount may not be recoverable or previously recognised impairment losses

no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised.

v. Impairment of investment

For determining whether the investments in subsidiaries, joint ventures and associates are impaired requires an estimate in the value in use of investments. In considering the value in use, the Directors have estimated the future cash flow, capacity utilization, operating margins and other factors of the underlying businesses / operations of the investee companies. Any subsequent changes to the cash flows due to changes in the above mentioned factors could impact the carrying value of investments.

vi. Inventories

The Company estimates the net realisable value (NRV) of its inventories by taking into account estimated selling price, estimated cost of completion, estimated costs necessary to make the sale, obsolescence considering the past trend. Inventories are written down to NRV where such NRV is lower than their cost.

vii. Recognition and measurement of other Provisions

The recognition and measurement of other provisions is based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the closing date. The actual outflow of resources at a future date may therefore, vary from the amount included in other provisions.

(C) Significant Accounting Policies

(a) Current and non-current classification

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when :

- It is expected to be realised or intended to be sold or consumed in normal operating cycle, or
- It is held primarily for the purpose of trading, or
- It is expected to be realised within twelve months after the reporting period, or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when :

- It is expected to be settled in normal operating cycle, or
- It is held primarily for the purpose of trading, or
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(b) Property, Plant and Equipment

- i) Freehold land is carried at historical cost. All other items of Property, Plant and Equipment are stated at historical cost less depreciation. Cost of acquisition comprises its purchase price including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discount and rebates are deducted in arriving at the purchase price.
- ii) Long-term lease arrangements of land are treated as Property, plant and equipment, in case such arrangements result in transfer of control and the present value of the lease payments is likely to represent substantially all of the fair value of the land.
- iii) Stores and spares which meet the definition of Property, Plant and Equipment and satisfy the recognition criteria of Ind AS 16 are capitalised as Property, Plant and Equipment.
- iv) Capital Work In Progress represents expenditure incurred on capital assets that are under construction or are pending capitalisation and includes project expenses pending allocation. Project expenses pending allocation are apportioned to the Property, Plant and Equipment of the project proportionately on capitalisation.

- v) Cost of borrowing for assets taking substantial time to be ready for use is capitalised for the period up to the time the asset is ready for its intended use.
- vi) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
- vii) The residual useful life of Property, Plant & Equipment is reviewed at each balance sheet date and adjusted if required in the depreciation rates.
- viii) Depreciation methods, estimated useful lives and residual value

Depreciation on all assets of the Company is charged on straight line method over the useful life of assets mentioned in Schedule II to the Companies Act, 2013 or the useful life previously assessed by the management based on technical review whichever is lower for the proportionate period of use during the year. Intangible assets are amortised over the economic useful life estimated by the management.

The management's estimated useful life/useful life as per schedule II whichever is lower for the various tangible assets are as follows.

Assets	Estimated useful life (Years)
Leasehold land	Period of Lease
Buildings	28 to 58
Roads	3 to 10
Plant and equipment and R&D equipments	9 to 20
Office and other equipments	5
Computers	3 to 6
Furniture and fixtures	10
Vehicles	6 to 8
Leasehold improvements	Period of Lease

c) **Goodwill**

Goodwill represents excess of consideration paid for acquisition of business over the fair value of net assets. Goodwill is not amortised but is tested for impairment at each reporting date.

d) **Intangible assets**

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

Revenue expenditure pertaining to research is charged to the Statement of profit and loss. Development costs of products are also charged to the Statement of profit and loss in the year it is incurred, unless product's technological feasibility as well as other related conditions have been established, in which case such expenditures are capitalised. The amount capitalised comprises of expenditure that can be directly attributed or allocated on a reasonable and consistent basis for creating, producing and making the asset ready for its intended use. Property, plant and equipment utilised for research and development are capitalised and depreciated in accordance with the policies stated for Property, plant and equipment. Expenditure on in-licensed development activities, whereby research findings are applied to a plan or design for the production of new or substantially improved products and processes, is capitalised, if the cost can be reliably measured, the product or process is technically and commercially feasible and the Company has sufficient resources to complete the development and to use and sell the asset.

The management has estimated the economic useful life for the various intangible assets as follows:

Assets	Estimated useful life (Years)
Brands and trademarks	4
Technical know how	4
Software for internal use	4

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

e) Borrowings

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

f) Impairment of assets

Carrying amount of Tangible assets, Intangible assets, Investments in Subsidiaries, Joint Venture and Associates (which are carried at cost) are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company's assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

g) Inventories

Items of inventories are valued at lower of cost or estimated net realisable value as given below:

Raw Materials and Packing Materials	Lower of cost and net realisable value. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First In First Out basis.
Work-in-process and Finished Goods	At lower of cost (material cost net of refundable taxes, labour cost and all manufacturing overheads) and net realisable value.
Stores and Spares	Stores and spare parts are valued at lower of cost computed on First-in-First-out method and net realisable value.
Traded Goods	Traded Goods are valued at lower of cost and net realisable value.

The factors that the Company considers in determining the allowance for slow moving, obsolete and other non-saleable inventory in determining net realisable value include ageing of inventory, estimated shelf life, price changes, introduction of competitive new products and such other related factors.

Cost in case of Raw material and Packing material, Stores and Spare and Traded Goods include purchase cost net of refundable taxes and other overheads incurred in bringing such items of inventory to its present location and condition.

h) Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits in banks and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within bank borrowings in current liabilities in the balance sheet.

i) Provisions, contingent liabilities and contingent assets

Provision

A Provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

j) Retirement and other employee benefits

Provident fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

Gratuity

Gratuity, a post employment defined benefit obligation is provided on the basis of an actuarial valuation made at the end of each year/period on projected unit credit method.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

Compensated absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using Projected Unit Credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia, bonus and performance incentive are recognised in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

k) Foreign currencies

Transactions and balances:

- i. The functional currency of the company is the Indian rupee. These financial statements are presented in Indian rupees.
- ii. Transactions denominated in foreign currency are recorded at the exchange rate on the date of transaction where the settlement of such transactions are taking place at a later date. The exchange gain/loss on settlement / negotiation during the year is recognised in the statement of profit and loss. In case of advance payment for purchase of assets/goods/services and advance receipt against sales of products/services, all such purchase/sales transaction are recorded at the rate at which such advances are paid/received.
- iii. Foreign currency monetary transactions remaining unsettled at the end of the year are converted at year-end rates. The resultant gain or loss is accounted for in the statement of profit and loss.
- iv. Non monetary items that are measured at historical cost denominated in foreign currency are translated using exchange rate at the date of transaction.
- v. The overseas trading offices are non-integral operations and the overseas non trading offices are integral operations and are accounted accordingly.

l) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

m) Financial instruments

(i) Financial assets & financial liabilities

Initial recognition and measurement

All financial assets and liabilities are recognised initially at fair value.

In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset is treated as cost of acquisition. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 7 details how the entity determines whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

De-recognition of financial instruments

A financial asset is de-recognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

A financial liability (or a part of a financial liability) is de-recognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(ii) Derivative financial instruments and hedge accounting

Initial recognition and subsequent measurement

The Company uses derivative financial instruments such as forward currency contracts, interest rate swaps to hedge its foreign currency risks, interest rate risks, respectively.

Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is

entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

The purchase contracts that meet the definition of a derivative under Ind AS 109 are recognised in the statement of profit and loss.

Cash flow hedge

The company designates certain foreign exchange forward and options contracts as cash flow hedges to mitigate the risk of foreign exchange exposure on highly probable forecast cash transactions.

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in other comprehensive income and accumulated in the cash flow hedging reserve. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the net profit in the statement of profit and loss. If the hedging instrument no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the forecasted transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the net profit in the statement of profit and loss upon the occurrence of the related forecasted transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified to net profit in the statement of profit and loss.

n) Investments in Subsidiaries / Associates / Joint venture

Investments in Subsidiaries / Associates / Joint ventures are carried at cost in the separate financial statements.

o) Revenue recognition

- i) The Company derives revenues primarily from sale of products and services. Revenue from sale of goods is recognised net of returns, product expiry claims and discounts.

Revenue is recognized on satisfaction of performance obligations upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

To recognize revenues, the Company applies the following five step approach:

1. Identify the contract with a customer;
2. Identify the performance obligations in the contract;
3. Determine the transaction price;
4. Allocate the transaction price to the performance obligations in the contract; and
5. Recognize revenues when a performance obligation is satisfied.

Performance obligation may be satisfied over time or at a point in time. Performance obligations satisfied over time if any one of the following criteria is met. In such cases, revenue is recognized over time.

1. The customer simultaneously receives and consumes the benefits provided by the Company's performance; or
2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
3. The Company's performance does not create an asset with an alternative use to the Company and the Company has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Where Revenue is recognized over time, the amount of revenue is determined on the basis of contract costs incurred in relation to estimated contract expenses.

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties.

The Company presents revenues net of indirect taxes in its statement of profit and loss.

- ii) In case of export benefits which are in the nature of neutralisation of duties and taxes are grouped under material costs. Other export incentives are grouped under other operating revenue.
- iii) Revenue in respect of insurance/other claims, commission, etc. are recognised only when it is reasonably certain that

the ultimate collection will be made.

- iv) For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR).
- v) Dividend from subsidiaries / associates / joint ventures is recognised in the statement of profit and loss in separate financial statements when the parent company's right to receive the dividend is established.

p) Taxes

Tax expenses comprise Current Tax and Deferred Tax.

i) Current tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

ii) Deferred tax

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Standalone Financial Statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

For items recognised in OCI or equity, deferred / current tax is also recognised in OCI or equity.

iii) MAT credit

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognises MAT credit available as an asset only to the extent that there is reasonable certainty that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The MAT credit to the extent there is reasonable certainty that the Company will utilize the credit is recognised in the statement of profit and loss and corresponding debit is done to the deferred tax asset as unused tax credit.

q) Leases

Effective April 1, 2019, the Company has adopted Ind AS 116 "Leases" using the modified retrospective approach, under which the Company recorded the lease liability at the present value of the remaining lease payments discounted at the incremental borrowing rate as on the date of transition and has measured right of use asset an amount equal to lease liability adjusted for any related prepaid and accrued lease payments previously recognized. Accordingly, the comparative information has not been restated and continues to be reported under Ind AS 17 "Lease". Additionally, the disclosure requirements in Ind AS 116 have not generally been applied to comparative information. The following is the summary of the new and/or revised significant accounting policies related to Leases. Refer Note 1 "Significant Accounting policies", in the Company's 2019 Annual Report for the policies in effect for Leases prior to April 1, 2019. The effect of transition on Ind AS 116 was insignificant.

Company as a lessee

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases

of low-value assets. For these short-term leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets as below.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

Lease Liabilities

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset.

Lease liabilities and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

r) Earnings per share

Earnings per share is calculated by dividing the net profit or loss before OCI for the year by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s) Dividend distribution

Dividend distribution to the Company's equity holders is recognized as a liability in the Company's annual accounts in the year in which the dividends are approved by the Company's equity holders.

t) Share-based payment transactions

Employees Stock Options Plans ("ESOPs"): The grant date fair value of options granted to employees is recognized as an employee expense, with a corresponding increase in equity, over the period that the employees become unconditionally entitled to the options. The expense is recorded for each separately vesting portion of the award as if the award was, in substance, multiple awards. The increase in equity recognized in connection with share based payment transaction is presented as a separate component in equity under "Employee Stock Options Outstanding reserve". The amount recognized as an expense is adjusted to reflect the actual number of stock options that vest.

u) Government Grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised in statement of profit and loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

The above criteria is also used for recognition of incentives under various scheme notified by the Government. When the grant relates to an asset, the Company deducts such grant amount from the carrying amount of the asset.

The Company has acquired, on October 2, 2018, 80% units of Bayshore Pharmaceuticals LLC, a New Jersey limited liability company (Bayshore).

b) Ipca Laboratories (U.K.) Ltd., U.K.

During the financial year 2003-04, the Company incorporated this wholly owned subsidiary to apply and obtain product registrations in the United Kingdom. During the year 2011-12, this subsidiary acquired 100% share capital of Onyx Research Chemicals Ltd., holding company of Onyx Scientific Ltd. During the year 2015-16, Onyx Research Chemicals Ltd., UK merged with its holding company Ipca Laboratories (UK) Ltd. and consequent to this, Onyx Scientific Ltd. has become wholly owned subsidiary of this Company. During the year 2018-19, Onyx Scientific Ltd. has acquired 10% share capital of Pisgah Laboratories Inc. USA.

c) Ipca Pharma Nigeria Ltd. Nigeria

During the year 2006-07, the Company acquired the entire share capital of Ipca Pharma Nigeria Ltd. Thus, Ipca Pharma Nigeria Ltd. became wholly owned subsidiary of the Company with effect from January 31, 2007. The Company was incorporated as a private company in Nigeria. It commenced commercial operations in December 2001. It is engaged in importation and marketing of formulations and APIs in the Nigerian market.

d) Ipca Pharma (Australia) Pty Ltd. Australia

This subsidiary company was acquired by the Company in the year 2007-08 and is engaged in the activities of holding formulations dossier registrations with TGA, Australia and sale of pharmaceuticals manufactured by the Company in Australia. This subsidiary company has a wholly owned subsidiary in New Zealand - Ipca Pharma (NZ) Pty Ltd.

Notes to standalone financial statements as at and for the year ended March 31, 2020

e) Ipca Pharma (NZ) Pty Ltd., New Zealand

During the year 2007-08, the Company was incorporated to hold formulation dossier registrations in New Zealand and to distribute formulations manufactured by the Company in the New Zealand market. This company is wholly owned subsidiary of Ipca Pharma (Australia) Pty Ltd.

f) Ipca Pharmaceuticals Ltd. SA de CV. Mexico

This subsidiary Company was setup during the year 2008-09 as wholly owned subsidiary of the Company to hold formulations dossier registrations and promotion of pharmaceuticals manufactured by the Company in the Mexican market. This Company is currently in the process of being closed down subject to required approval.

g) Tonira Exports Limited, India

Tonira Exports Ltd. was incorporated as a wholly owned subsidiary of Tonira Pharma Ltd. The Company acquired management control of Tonira Pharma Ltd. in May 2008. Upon merger of Tonira Pharma Ltd. with the Company in the year 2011-12, Tonira Exports Ltd has become wholly owned subsidiary of the Company. This Company is presently not into any business.

h) Avik Pharmaceutical Ltd., India

During the year 2013-14 the Company had acquired 49.02% of shares in Avik Pharmaceutical Ltd. Avik is manufacturing APIs, primarily Cortico Steroids and Hormones since 1980. Avik is pioneer in the manufacturing of steroids in India. Avik's two manufacturing facilities are located at Vapi, Gujarat. During the year 2018-19, the Company has been allotted 33,000 shares under right issue. Now Company's holding in Avik Pharma is 48.99%.

i) Trophic Wellness Pvt. Ltd., India

Trophic Wellness Pvt. Ltd. was incorporated in 2010 and is headquartered in Mumbai, India. The Company has acquired shareholding to the extent of 19.26% in Trophic Wellness Pvt. Ltd. during the year 2010-11. Trophic Wellness Pvt. Ltd. is engaged in the manufacturing and marketing of nutraceuticals with its manufacturing unit situated in Sikkim.

j) Krebs Biochemicals & Industries Ltd., India

Krebs Biochemicals and Industries Ltd. was established in 1991. During the financial year 2014-15, Krebs Biochemicals and Industries Ltd. became an associate company. Krebs undertakes both contract manufacturing for large pharmaceutical and multinational companies and develops products for sale in global markets. Krebs is listed on NSE and BSE and is headquartered in Vishakapatnam, India with manufacturing plants in Nellore and Vizag. Expertise and infrastructure in the areas of chemical synthesis, fermentation and enzymatic technologies along with a focus on cost and quality makes Krebs a logical partner of the Company for the development and supply of products made using one or more of these technologies. During the year company has been allotted 13,70,000 equity shares. Now The Company holding in Krebs Biochemical is 39.69%. During the year Company has also been allotted 30,00,000 9% preference shares (non convertible, redeemable & non cumulative) of ₹ 100/- each and 35,60,000 of ₹ 10/- each convertible share warrants (partly paid).

k) Ramdev Chemical Pvt. Ltd., India

Ramdev Chemical Pvt. Ltd. was established in 1999. During the year The Company has acquired 100% shareholding in Ramdev Chemical Pvt. Ltd. Ramdev Chemical Pvt. Ltd. is engaged in the manufacturing and marketing of drug intermediates and Active Pharmaceutical Ingredients (API's) with its manufacturing unit situated in Tarapur, Boisar, Dist. Palghar (Maharashtra).

Note: No amount is due from any of the directors or officers of the Company, severally or jointly with any other person; or from firms where such director is a partner or from private companies where such director is a member.

The Company uses a provision matrix to determine impairment loss on portfolio of its trade receivable. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in forward-looking estimates are analyzed. The Company estimates the following matrix at the reporting date which is calculated on overdue amounts.

Particulars	As at March 31, 2020	As at March 31, 2019
Default rate - local	0.46%	0.15%
Default rate - export	0.60%	0.87%

The Board of Directors, at its meeting held on Feb. 12, 2020, had declared an interim dividend of ₹ 5/- per equity share of ₹ 2/- each. It resulted in an outflow of ₹ 76.16 crores including dividend tax.

Nature and purpose of each reserve**Capital Reserve**

During amalgamation / merger / acquisition, the excess of net assets taken, over the consideration paid, if any, is treated as capital reserve.

Securities Premium

The amount received in excess of face value of the equity shares is recognised in Securities Premium Reserve. In case of equity-settled share based payment transactions, the difference between fair value on grant date and nominal value of share is accounted as securities premium reserve. This reserve is utilised in accordance with the provisions of the Companies Act, 2013.

Capital Redemption Reserve

The Company has recognised Capital Redemption Reserve on buy-back of equity shares from its retained earnings. The amount in Capital Redemption Reserve is equal to nominal amount of the equity shares bought back.

Share Options Outstanding Account

The Company has established equity settled share based payment plan for certain categories of employees.

General Reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to the statement of profit and loss.

Retained Earning

Retained earnings are the profits that the Company has earned till date and is net of amount transferred to other reserves such as general reserves, debenture redemption reserve etc., amount distributed as dividend and adjustments on account of transition to Ind AS.

Effective portion of cash flow hedges

The cash flow hedging reserve represents the cumulative effective portion of gains or losses arising on changes in fair value of designated portion of hedging instruments entered into for cash flow hedges. The cumulative gain or loss arising on the changes of the fair value of the designated portion of the hedging instruments that are recognised and accumulated under the cash flow hedge reserve will be reclassified to profit or loss only when the hedged transaction affects the profit or loss, or included as a basic adjustment to the non-financial hedged item.

Other items of OCI

This reserve represents exchange differences arising on account of conversion of foreign operations to Company's functional currency.

14.1 Disclosure in accordance with Ind AS – 19 “Employee Benefits”, of the Companies (Indian Accounting Standards) Rules, 2015.

Gratuity

The company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement / termination is the employee’s last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan and the company makes contributions to recognised funds in India. The company does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected gratuity payments.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk

For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

Market risk (discount risk)

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate/government bonds and hence, the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

Notes to standalone financial statements as at and for the year ended March 31, 2020

Longevity risk

The impact of longevity risk will depend on whether the benefits are paid before retirement age or after. Typically for the benefits paid on or before the retirement age, the longevity risk is not very material.

Actuarial risk

Salary Increase Assumption: Actual Salary increase that are higher than the assumed salary escalation, will result in increase to the obligation at a rate that is higher than expected.

The following table summarizes the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet.

Particulars	(₹ Crores)	
	As at March 31, 2020	As at March 31, 2019
Expense recognised in statement of profit & loss		
Current service cost	7.61	7.19
Interest expense	4.72	4.13
Expected return on plan assets	(4.98)	(4.31)
Total	7.35	7.01
Expense recognised in Other Comprehensive Income		
Return on plan assets (greater)/less than discount rate	0.34	0.38
Actuarial (gain)/loss due to experience on DBO	6.87	1.01
Total	7.21	1.39
Present value of funded defined benefit obligation	78.46	64.71
Fair value of plan assets	(70.42)	(65.50)
Funded status	8.04	(0.79)
Net defined benefit (asset) / liability	8.04	(0.79)
Movements in present value of defined benefit obligation		
Present value of defined benefit obligation at the beginning of the year	64.71	58.11
Current service cost	7.61	7.19
Interest cost	4.72	4.13
Actuarial (gain)/loss	6.87	1.01
Benefits paid	(5.45)	(5.73)
Present value of defined benefit obligation at the end of the year	78.46	64.71
Movements in fair value of the plan assets are as follows		
Opening fair value of plan assets	65.50	55.99
Expected returns on plan assets	4.98	4.31
Remeasurement (gains)/losses:		
Actuarial (gain)/loss on plan assets	(0.34)	(0.38)
Contribution from Employer	5.73	11.31
Benefits paid	(5.45)	(5.73)
Closing fair value of the plan asset	70.42	65.50
Remeasurement effect recognised on Other Comprehensive Income		
Actuarial (gain)/loss arising from experience adjustments	6.87	1.01
Actuarial (gain)/loss on plan assets	0.34	0.38
Total actuarial (gain)/loss included in OCI	7.21	1.39

Notes to standalone financial statements as at and for the year ended March 31, 2020

The principal assumptions used as at the balance sheet date are used for the purpose of actuarial valuations were as follows:

Particulars	As at March 31, 2020	As at March 31, 2019
Financial assumptions		
Discount rate	6.73%	7.60%
Salary increase rate	6.00%	6.00%
Demographic assumptions		
Mortality rate	IALM (2012-14) Ultimate	IALM (2006-08) Ultimate
Withdrawal rate	5%	5%
Retirement age	58 Years	58 Years

The rate used to discount post-employment benefit obligations is determined by reference to market yields at the end of the reporting period on government bonds.

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and mortality.

The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of reporting period, while holding all other assumptions constant.

Particulars	As at March 31, 2020	As at March 31, 2019
Defined benefit obligation		
Discount rate		
a. Discount rate - 100 basis points	84.56	69.89
b. Discount rate + 100 basis points	72.89	60.19
Salary increase rate		
a. Rate - 100 basis points	73.11	60.38
b. Rate + 100 basis points	84.21	69.59

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would clear in isolation of one another as some of the assumptions may be correlated.

Further more, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(ii) Employee stock option plans

The Company has a stock option plan that provides for the granting of stock options to qualifying permanent employees including Wholetime Non- Promoter Director of the Company. The option plan is summarized below:

The Board of Directors at the meeting held on 25th April, 2017 had granted 1,65,000 (One Lakh Sixty Five Thousand) option under Ipca Laboratories Limited -Employees Stock option Scheme- 2014 (ESOS). The Option granted got vested on completion of 1 year from the date of grant of the option.

The compensation cost for ESOS 2014 has been recognized based on the fair value at the date of grant in accordance with the Black-Scholes method determined by an independent merchant banker. The Black –Scholes option-pricing model was developed for estimating fair value of trade options that have no vesting restrictions and are fully transferable. Since options pricing models require use of subjective assumptions, changes therein can materially affect fair value of the options. The options pricing models do not necessarily provide a reliable measurement of fair value of options.

Notes to standalone financial statements as at and for the year ended March 31, 2020

Status of options granted is tabulated hereunder;

Particulars	Year ended March 31, 2020		Year ended March 31, 2019	
	No. of options	Exercise price	No. of options	Exercise price
Outstanding, beginning of year	-	-	1,56,500	₹ 300
Granted during the year	-	-	-	-
Exercised during the year	-	-	1,53,000	₹ 300
Forfeited during the year	-	-	3,500	₹ 300
Outstanding, end of year	-	-	-	-

15. Deferred Tax Liabilities (Net) (₹ Crores)

Particulars	As at March 31, 2020		As at March 31, 2019	
Deferred tax liabilities on account of :				
Depreciation including on R&D assets, amortisation and impairment		226.29		229.68
Deferred tax asset on account of :				
Leave encashment	12.02		9.94	
Bonus expenses	1.05		1.05	
MAT credit available	72.43		72.43	
		85.50		83.42
Net deferred tax liability		140.79		146.26

16. Other Non-Financial Liabilities (₹ Crores)

Particulars	As at March 31, 2020		As at March 31, 2019	
	Non Current	Current	Non Current	Current
Security deposit	1.56	-	1.56	-
Revenue received in advance	-	118.20	-	50.30
Deferred Income	0.70	0.19	-	-
Duties & taxes payable	-	26.97	-	14.82
Forward hedging payable	-	-	-	-
Other Payables	-	5.91	-	4.91
Total	2.26	151.27	1.56	70.03

17. Financial Liabilities - Borrowings (₹ Crores)

Particulars	As at March 31, 2020	As at March 31, 2019
(i) Secured Loans*:		
Working capital loan from banks	184.99	195.86
(ii) Unsecured Loans:		
Working capital loan from banks	124.28	-
Total Short-term Borrowings	309.27	195.86

* Secured loans are secured by first charge by way of hypothecation of all the stocks, book debts and all other movable current assets of the Company and second charge by way of mortgage of the immovable properties of the Company and hypothecation of plant & machinery of the Company.

Notes to standalone financial statements as at and for the year ended March 31, 2020

18. Financial Liabilities - Trade Payables

(₹ Crores)

Particulars	As at March 31, 2020	As at March 31, 2019
a) Trade payables for goods and services:		
- Total outstanding dues of micro and small enterprises	8.28	4.34
- Others	481.51	395.42
b) Acceptances	48.06	64.33
Total	537.85	464.09

Trade payables (other than MSME) and acceptances are non-interest bearing and are normally settled between 0-120 days.

Details of dues to micro and small enterprises as defined under MSMED Act, 2006

(₹ Crores)

Particulars	As at March 31, 2020	As at March 31, 2019
Principal amount due	8.28	4.34
Interest due on above	-	-
Amount paid in terms of Sec 16 of the Micro, Small and Medium Enterprise Development Act, 2006		
- Principal amount paid beyond appointed day	4.42	4.21
- Interest paid thereon	-	-
Amount of interest due and payable for the period of delay	0.02	0.02
Amount of interest accrued and remaining unpaid as at year end	0.02	0.02
Amount of further interest remaining due and payable in the succeeding year	-	-

The Company has compiled the above information based on written confirmations collected by the Company from suppliers.

19. Current Tax Liabilities (Net)

(₹ Crores)

Particulars	As at March 31, 2020	As at March 31, 2019

30. Disclosure as required by Accounting Standard – Ind AS 33 “Earning Per Share” of the Companies (Indian Accounting Standards) Rules 2015.

The earning per share is calculated by dividing the profit after tax by weighted average number of shares outstanding for basic & diluted EPS.

(₹ Crores)

Particulars	2019-20		2018-19	
i Profit after tax		652.46		454.91
ii Profit after tax and exceptional Items		652.46		454.91
iii Closing equity shares outstanding (nos.)				
Opening equity shares outstanding (nos.)	12,63,52,109		12,61,99,109	
Add: Shares issued during the year pursuant to exercise of ESOS (nos.)	-		1,53,000	
Closing equity shares outstanding (nos.)		12,63,52,109		12,63,52,109
iv Weighted avg no. of shares outstanding (nos.) (basic)		12,63,52,109		12,63,26,609
v Weighted avg no. of shares outstanding (nos.) (diluted)		12,64,42,316		12,63,26,609
vi Nominal value of equity share (₹)		2.00		2.00
vii Basic EPS (i / iv) (₹)		51.64		36.01
viii Diluted EPS (i / v) (₹)		51.60		36.01

31. Disclosure in accordance with Ind AS – 116 “Leases”, of the Companies (Indian Accounting Standards) Rules, 2015.

The Company's lease asset primarily consist of leases for Land and Buildings having the various lease terms. Effective April 1, 2019, the Company adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method. Consequently, the Company recorded the lease liability at present value of the remaining lease payments discounted at the incremental borrowing rate as on the date of transition and has measured right-of-use asset an amount equal to lease liability adjusted for any related prepaid and accrued lease payments previously recognised.

The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 has resulted in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Applied the practical expedient by not reassessing whether a contract is, or contains, a lease at the date of initial application. Instead applied the standards only to contracts that were previously identified as leases under Ind AS 17.
4. Used hindsight in determining the lease term where the contract contained options to extend or terminate the lease.

Following is carrying value of right-of-use asset recognised on date of transition and the movements thereof during the year ended March 31, 2020.

(₹ Crores)

Particulars	Land and Buildings
Balance as at April 1, 2019	-
Transition impact on account of Ind AS 116 “Leases”	9.70
Reclassified from property, plant and equipment on account of adoption of Ind AS 116 “Leases”	-
Reclassified from Earnest money and Security Deposits	3.28
Total Right-of-use as on date of Transition	12.98
Additions during the year	22.86
Deletion during the year	-
Depreciation of Right-of-use asset	9.71
Balance as at March 31, 2020	26.13

Notes to standalone financial statements as at and for the year ended March 31, 2020

The following is the carrying value of lease liability on the date of transition and movement thereof during the year ended March 31, 2020

(₹ Crores)

Particulars	As at March 31, 2020
Transition impact on account of Ind AS 116 "Leases"	9.70
Additions during the year	13.69
Finance cost accrued during the year	1.58
Deletions	-
Payment of lease liabilities	6.08
Balance as at March 31, 2020	18.89
Current portion of Lease liability	5.87
Non-Current portion of Lease liability	13.02
	18.89

An explanation to difference between operating lease commitments as per Ind AS 17 and lease liabilities as per Ind AS 116 as at April 1, 2019 is as below:

The weighted average incremental borrowing rate applied to lease liabilities as at April 1, 2019 is 9% except one agreement of Krebs Biochemicals where Inter Company Deposit rate is available, which is 11.5%.

The difference between lease obligation recorded as of March 31, 2019, under Ind AS 17 (disclosed under note no.31 of annual Standalone Financial Statements of March 31, 2019) and the value of lease liability as of April 1, 2019, is on account of practical hindsight in determining the lease term, where the contract contained options to extend in measuring the lease liability in accordance with Ind AS 116, reclassification of finance lease obligations as lease liabilities.

Amounts recognised in the statement of cash flows

(₹ Crores)

Particulars	2019-20
Total cash outflow for leases	13.81

The details of the contractual maturities of lease liabilities as at March 31, 2020 on an undiscounted basis are as follows:

(₹ Crores)

Particulars	As at March 31, 2020
Less than one year	5.87
One to five years	9.05
More than five years	3.97
Total	18.89

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

32. Segment Reporting

Disclosure as required by Ind AS 108 "Operating Segment", of the Companies (Indian Accounting Standards) Rules, 2015.

Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance in accordance with Ind AS "Operating Segment", the Company has only one reportable operating segment i.e. Pharmaceuticals. The additional disclosure is being made in the consolidated financial statements.

Notes to standalone financial statements as at and for the year ended March 31, 2020

33. Disclosure in accordance with Ind AS - 24 "Related Party Disclosures", of the Companies (Indian Accounting Standards) Rules, 2015

34. CSR Expenditure:

- a. Gross amount required to be spent by the Company during the year ₹ 7.09 crores (previous year ₹ 4.30 crores).
b. **i) Amount spent by the Company during the year is as follows:**

(₹ Crores)

Sr. No.	Particulars	Paid in cash	Yet to be paid in cash	Total
1	Eradication of poverty, promotion of healthcare, sanitation, drinking water etc.	5.24	-	5.24
2	Promotion of education, vocational training & skill enhancement etc.	1.29	-	1.29
3	Environmental sustainability, animal welfare, natural resource conservation etc.	0.18	-	0.18
4	Promoting of gender equality and empowering women	0.03	-	0.03
5	Protection of national heritage, art, culture etc.	0.01	-	0.01
6	Promotion of rural sports	0.04	-	0.04
7	Rural development	0.24	-	0.24
Total		7.03	-	7.03

- ii) Amount spent by the Company during the previous year is as follows:**

(₹ Crores)

Sr. No.	Particulars	Paid in cash	Yet to be paid in cash	Total
1	Eradication of poverty, promotion of healthcare, sanitation, drinking water etc.	3.13	-	3.13
2	Promotion of education, vocational training & skill enhancement etc.	4.26	-	4.26
3	Environmental sustainability, animal welfare, natural resource conservation etc.	0.30	-	0.30
4	Promoting of gender equality and empowering women	0.01	-	0.01
5	Protection of national heritage, art, culture etc.	-	-	-
6	Promotion of rural sports	0.01	-	0.01
7	Rural development	0.08	-	0.08
Total		7.79	-	7.79

Note: The above includes ₹ 0.24 Crore being scrap value of assets given away under CSR projects.

35. Contingent liabilities and Commitments

A. Contingent Liabilities

(₹ Crores)

i. Particulars	As at March 31, 2020	As at March 31, 2019
Other moneys for which the Company is contingently liable for tax, excise, customs and other matters not accepted by the Company *	15.25	18.11
Amount deposited under protest	(2.81)	(1.88)
Claims against the Company not acknowledged as debts	10.65	9.15
Corporate guarantee given to others	24.98	2.28
Guarantees given by banks in favour of Govt. & others *	16.71	12.74
Total	64.78	40.40

*Note:- It includes ₹ 4.38 crores (Previous year ₹ 4.38 crores) towards interest and penalty demanded by excise department, Ankleshwar relating to erstwhile Tonira Pharma Limited since amalgamated with the Company and is not payable in accordance with the order passed by the Hon'ble Central Excise and Service Tax Appellate Tribunal (CESTAT), Ahmedabad. The Department had moved the Hon'ble Gujarat High Court against the said CESTAT order and as per the order of the said Hon'ble High Court, the Company has furnished a Bank Guarantee of ₹ 2.00 crores (Previous year ₹ 2.00 crores) to the department.

- ii. The Hon'ble Supreme Court of India by their order dated February 28, 2019, has clarified the principles based on which allowances paid to the employees should be identified for inclusion in basic wages for the purposes of computation of Provident Fund contribution. The same has been implemented w.e.f. April 1, 2019. However, pending directions or clarification from the EPFO, the quantification of impact, if any for the period upto March 31, 2019 is not ascertainable and consequently no effect has been given in the accounts.

B. Commitments

Intangible Assets	-	28.82
	60.25	68.45

Notes to standalone financial statements as at and for the year ended March 31, 2020

(₹ Crores)

Particulars	As at March 31, 2020	As at March 31, 2019
(b) Other Commitments		
Purchase orders backed by LC opened by bankers.	94.46	55.99
	94.46	55.99
Total	154.71	124.44

36. Acquisition of Noble Explochem Ltd.

The Company's Resolution Plan under the Insolvency and Bankruptcy Code, 2016 for Noble Explochem Ltd. (NEL) was approved by the National Company Law Tribunal (NCLT) vide its order dated January 22, 2020. Pursuant thereto, the Company has discharged its total obligation of ₹ 69.00 crores and has acquired control over NEL's vast land bank and infrastructure facility near Nagpur, Maharashtra. As per the Resolution Plan, on approval by the NCLT, NEL merged with the Company with effect from the Completion Date without obtaining any separate order from NCLT. As per the aforesaid plan, NEL's entire capital gets cancelled. The Company has recognised immovable properties, plant and machineries and other assets acquired at its respective fair value in terms of Ind AS 16 on Property, plant and equipment based on valuation reports of authorized valuers appointed by the Resolution Professionals. The excess of ₹ 6.00 crores being the difference between the aggregate fair value of assets recognised over the consideration paid is disclosed as Capital Reserve. The assets recognised includes freehold land, leasehold land and three bank accounts of ₹ 37.90 crores, ₹ 24.50 crores and ₹ 0.02 crore respectively, where the Company is in process of completing necessary formalities to register / transfer these assets in the name of the Company. The Company proposes to use these assets to set up manufacturing unit(s) for manufacturing of Drug Intermediates and Active Pharmaceutical Ingredients.

37. Financial Instruments

The carrying value and fair value of financial instruments by categorywise is as follows:

(₹ Crores)

Particulars	Carrying Value		Fair Value	
	As at March 31, 2020	As at March 31, 2019	As at March 31, 2020	As at March 31, 2019
Financial assets				
Amortised cost				
Investments				
- Equity instruments	-	-	-	-
- Preference shares	-	-	-	-
Loans	102.20	119.08	102.20	119.08
Others	90.79	107.47	90.79	107.47
Trade receivables	839.13	632.06	839.13	632.06
Cash and cash equivalents	152.40	259.81	152.40	259.81
FVTPL				
Equity instruments	-	-	-	-
Mutual funds considered as cash and cash equivalents	238.25	90.38	238.25	90.38
FVTOCI				
Derivative assets	0.30	0.28	0.30	0.28
Total financial assets	1423.07	1209.08	1,423.07	1,209.08
Financial liabilities				
Amortised cost				
Borrowings	387.65	329.80	387.65	329.80
Lease liability	18.89	-	18.89	-
Trade payables	537.85	464.09	537.85	464.09
Others	124.42	196.91	124.42	196.91
FVTOCI				
Derivative liabilities	13.32	-	13.32	-
Total financial liabilities	1,082.13	990.80	1,082.13	990.80

The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables, book overdrafts and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

38. Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

(₹ Crores)

Particulars	Fair Value measurement using				Total
	Date of Valuation	Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)	
Financial assets measured at fair value					
Mutual funds - growth plan	As at March 31, 2020	238.25	-	-	238.25
Derivative financial assets	As at March 31, 2020	-	0.30	-	0.30
Total financial assets		238.25	0.30	-	238.55
Financial liabilities

Total financial assets		90.38	0.28	-	90.66
Financial liabilities					
Derivative financial liabilities	As at March 31, 2019	-	-	-	-
Total financial liabilities		-	-	-	-

39. Financial Risk Factors

The Company's business activities are exposed to a variety of financial risks: market/business risk, credit risk, exchange risk, etc. The Company's focus is to foresee the unpredictability of financial and business risks and seek to minimize potential adverse effects of these risks on its business and financial performance.

i. Business/ Market Risk

The primary business/market risk to the Company is the price risk and its ability to pass on the same to its customers. The Company's operations extend to a number of countries across the globe and its products pricing competitiveness is a primary factor for the acceptability of Company's products in those markets. The Company has a robust procurement process, which ensures that its pricing power is not adversely affected by price changes in the market place for its raw materials. The backward integration into manufacturing of several API's for its own use in the formulations manufacturing also works as a mitigating strategy for price risk faced by the Company.

The other business risk is regulatory risk and regulatory audits of its manufacturing facilities by the regulators to ensure that the manufacturing facilities meet the current Good Manufacturing Practices (cGMP) requirements. The Company is already exposed to certain audit observations from the US FDA for 3 of its manufacturing plants and has taken the necessary corrective measures to redress those US FDA audit observations so as to be able to market all its products once again in the US market. While the stringent regulatory requirements and audits works as a business risk, the successful audit of its facilities by regulators coupled with price competitiveness results in higher business and margins for the Company.

Notes to standalone financial statements as at and for the year ended March 31, 2020

The Company's products are also subjected to product liability claims/litigations. To mitigate these risks, the Company has obtained adequate Product Liability Insurance.

The Company, however, has a reduced risk from dependence on any single customer as no single customer or customer group accounts for more than 10% of Company's annual revenue. The Company also continuously forays into different markets/countries to reduce its dependence on any particular country or customer group. The Company also has a diversified therapeutic product portfolio and therefore no single product account for more than 10% of Company's annual revenue.

ii. Credit risk

The Company has exposure to credit risks associated with sales to various developing markets/countries. To mitigate these credit risks arising out of this, the Company obtains credit insurance on a regular basis after evaluating the credit risk associated with a country/customer. Country/customer where no credit insurance is available, the Company monitors such risk by continuously monitoring its exposure to such country/customer. There was no historically significant credit risk in the domestic market for the Company. Based on the historical data, the Company has made adequate provisions for expected loss because of credit risk, which is neither significant nor material.

iii. Interest risk

The Company has borrowings mainly in foreign currencies which is linked to Libor. The Company mitigates these risks associated with floating Libor rates by entering into interest rate swaps to move them to fixed Libor rates. The domestic interest risk is exposed to the changes in the RBI bank rate. The Company manages this risk by managing its working capital effectively.

iv. Foreign currency risk

The Company continuously manages its risks associated with foreign currency by adopting various hedging strategies in consultation with internal and external experts. The Company has a system of regularly monitoring its currency wise exposures. The significant part of Company's receivables and borrowings are in US Dollars which operates as a natural hedge against each other. The Company has a policy not to borrow in a currency where it has no business exposure.

v. The unhedged foreign currency exposure is as follows:

Sr. no.	Particulars	Currency	As at March 31, 2020		As at March 31, 2019	
			Amount in foreign currency (in millions)	Amount (₹ Crores)	Amount in foreign currency (in millions)	Amount (₹ Crores)
I)	Unhedged foreign exchange liability					
a.	ECB term loan & interest	USD	19.42	146.97	36.11	249.73
b.	Packing credit & interest	USD	15.02	113.62	15.02	103.91
		EURO	4.00	33.13	-	-
		GBP	0.94	8.81	-	-
c.	Trade & other payables incl. advances received	USD	20.32	153.80	16.48	113.95
		EURO	0.23	1.87	0.12	0.94
		GBP	0.01	0.06	0.00	0.03
		AUD	0.01	0.05	-	-
		NZD	0.00	0.02	-	-
		CHF	-	-	0.00	0.01
		CAD	-	-	0.02	0.09
II)	Unhedged receivables in foreign currency					
a.	Trade & other receivables incl. advances given	USD	33.54	253.74	37.33	258.17
		EUR	6.82	56.39	4.39	34.11
		GBP	10.41	97.20	5.98	54.09
		AUD	8.01	36.93	6.69	32.83
		CAD	2.52	13.37	1.95	10.06
		NZD	0.33	1.49	1.28	6.03
		COP	1,311.93	2.42	888.21	1.93
b.	Unbilled revenue	CAD	0.77	4.06	0.49	2.51

The Company has entered into various derivatives transactions, which are not intended for trading or speculative purpose but to hedge the export receivables including future receivables and foreign currency loan interest rate risks.

Notes to standalone financial statements as at and for the year ended March 31, 2020

- vi. In 2019-20, the Company has entered into Interest Rate Swap (IRS) Contracts against the underlying of USD ECB loans. The actual net gain of ₹ 0.41 Crores (previous year ₹ 3.88 Crores) upon unwinding of one of the IRS on ECB loan and gain on net settlement is credited to interest expenses under finance cost (Refer note no.26).

vii. Other Price Risk

The Company is mainly exposed to the price risk due to its investment in mutual funds. However, the Company is investing only in debt funds. The price risk arises due to uncertainties about the future market values of these investments. At March 31 2020, the investments in mutual funds is ₹ 238.25 Crores (Previous year : ₹ 90.38 Crores). These are exposed to price risk. In order to minimize price risk arising from investments in mutual funds, the Company predominately invest in liquid fund where price risk is minimum.

Price risk sensitivity

0.10% increase or decrease in prices will have the following impact on profit/loss before tax and on other components of investment value.

Particulars	(₹ Crores)			
	Impact on Profit		Impact on Investment Value	
	As at March 31, 2020	As at March 31, 2019	As at March 31, 2020	As at March 31, 2019
Price - increase by 0.10%*	0.24	0.09	0.24	0.09
Price - decrease by 0.10% *	(0.24)	(0.09)	(0.24)	(0.09)

* assuming all other variables as constant

Estimation uncertainty relating to COVID-19 outbreak

Being manufacturers of pharmaceuticals, the operations of the Company were exempted from lockdown declared by both the Central and State Governments in the wake of Covid - 19 pandemic. The Company continued with the manufacturing operations at all its manufacturing sites albeit with challenges such as shortage of manpower, availability of materials and disruptions in the logistics and supply chain. The Company has considered the possible effects that may result due to the lockdown announced consequent to outbreak of Covid -19 on the carrying amounts of property, plant and equipment, investments, inventories, receivables and other current assets. Based on internal and external sources of information and economic forecasts, the Company expects the carrying amount of these assets will be recovered and will continue to have sufficient liquidity to fund its business operations as well as expansion plans. However, a definitive assessment of the impact, at this stage, is not possible in view of the highly uncertain economic environment and the situation is still evolving.

40. Capital Management

For the purpose of the Company's capital management, capital includes paid-up equity share capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholders' value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust its dividend payment ratio to shareholders, return capital to shareholders or issue fresh shares. The Company monitors capital using a gearing ratio, which is net debt divided by its total capital. The Company includes within its net debt the interest bearing loans and borrowings, trade and other payables less cash and cash equivalents.

(₹ Crores)

Particulars	As at March 31, 2020	As at March 31, 2019
Borrowings other than convertible preference shares	387.65	329.80
Trade payables	537.85	464.09
Other payables	137.74	196.91
Less: Cash and cash Equivalents (C&CE)	(152.40)	(259.81)
Less: Investment in MF (part of C&CE)	(238.25)	(90.38)
Net debt	672.59	640.61
Total Equity	3,677.54	3136.66
Capital and net debt gearing ratio	18.29%	20.42%

Notes to standalone financial statements as at and for the year ended March 31, 2020

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets the financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the lending institutions to immediately call back the loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing the capital during the years ended March 31, 2020 and March 31, 2019.

41. Derivative Financial Instruments

The details of outstanding foreign exchange forward contracts and other derivatives designated as cash flow hedges:

Particulars	As at March 31, 2020		As at March 31, 2019	
	Currency	In million	Currency	In million
Forward Contracts Exports	USD	54.43	USD	30.71
	STG	13.00	STG	12.22

Later than one month and not later than three months	USD	0.62	-
Later than three months and not later than one year	USD	-	0.01
Later than one year and not later than two years		-	-

Notes to standalone financial statements as at and for the year ended March 31, 2020

During the year ended March 31, 2020 the Company has designated certain foreign exchange forward contracts as cash flow hedges to mitigate the risk of foreign exchange exposure on highly probable forecast cash transactions. The related transactions for the balance in the cash flow hedging reserve are expected to occur and reclassified to revenue in the statement of profit and loss. However, as at March 31, 2020, there are no transactions in the hedge reserve that are required to be reclassified to the revenue in the statement of profit & loss account.

Hedge effectiveness is determined at the inception of the hedge relationship and through periodic prospective effectiveness assessments to ensure that an economic relationship exists between the hedged item and the hedging instrument, including whether the hedging instrument is expected to offset changes in cash flows of hedged items.

If the hedge ratio for risk management purposes is no longer optimal but the risk management objective remains unchanged and the hedge continues to qualify for hedge accounting, the hedge relationship will be re-balanced by adjusting either the volume of the hedging instrument or the volume of the hedged item so that the hedged ratio aligns with the ratio used for risk management purposes. Any hedge ineffectiveness is calculated and accounted in the statement of profit and loss at the time of hedge relationship re-balancing.

The reconciliation of cash flow hedge reserve for the year ended March 31, 2020 is as follows:

(₹ Crores)

Particulars	As at March 31, 2020	As at March 31, 2019
Balance at the beginning of the period	0.28	3.69
Changes in the fair value of effective portion of cash flow	(1.89)	(7.29)
Gain/(loss) transferred to the statement of profit & loss on occurrence of forecasted hedge transactions	0.41	3.88
Deferred tax on fair value of effective portion of cash flow	-	-
Balance at the end of the period	(1.20)	0.28

The Company offsets a financial asset and a financial liability when it currently has a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. During the year the Company has not settled any such transactions.

(₹ Crores)

Particulars	As at March 31, 2020		As at March 31, 2019	
	Derivative financial asset	Derivative financial liability	Derivative financial asset	Derivative financial liability
Gross amount of recognised financial asset / liability	-	1.20	0.28	-
Amount set-off	-	-	-	-

INDEPENDENT AUDITOR'S REPORT

To the Members of Ipca Laboratories Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **Ipca Laboratories Limited** ("the Holding Company"), and its subsidiaries, (the Holding Company and its subsidiaries together referred to as the Group) and its joint venture and its associates, comprising of the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its joint venture and its associates as at March 31, 2020 and their consolidated profit (including other comprehensive income), their consolidated statement of changes in equity and their consolidated cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the rules framed thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters:

Sr. No.	Key Audit Matters (KAMs)	How the KAMs were addressed in our audit
1.	<p>Inventory Valuation</p> <p>Refer note (D)(g) of the Statement of Significant Accounting Policies.</p> <p>The Holding Company manufactures and sells pharmaceutical products which carry shelf life. As a result, significant level of judgement is involved in estimating inventory valuation. Judgement is required to assess the appropriate net realisable value for short dated pharmaceutical products. Such judgments include management expectations for future sales and inventory liquidation plans.</p>	<p>Our procedures included, amongst others:</p> <ul style="list-style-type: none"> • We attended stock counts to identify whether any inventory was obsolete; • We assessed the basis for the inventory valuation, the consistency in policy and the rationale in its application; • We tested the accuracy of the ageing of inventories based on system generated reports; • We tested the arithmetical accuracy of valuation files; and • We reviewed product-wise historical data relating to sales return etc. and also its impact on valuation.
2.	<p>Impairment of Property, plant & equipment</p> <p>Refer note (D)(b) of the Statement of Significant Accounting Policies.</p> <p>There is a risk of impairment on the Group property, plant and equipment (PPE) on account of inherent nature of the PPE and the business environment in which the Group operates. As on March 31, 2020 the carrying amount of PPE was Rs. 1896.32 crores which represent 36.05% of total assets.</p>	<ul style="list-style-type: none"> • We assessed the determination of the recoverable amount of the PPE based on our understanding of the nature of the Group business and the economic environment surrounding its operations. • We reviewed the Group historical performances and held discussions with the Management to understand their assessment of the Group future performance. This included obtaining an understanding of management's planned strategies around business expansion and revenue growth strategies.

Sr. No.	Key Audit Matters (KAMs)	How the KAMs were addressed in our audit
	<p>The Management determines at the end of each reporting period the existence of any objective evidence that the Group PPE may be impaired. If there are indicators of impairment of class of assets, the deficit between the recoverable amount of the PPE and its carrying amount would be recognised as impairment loss in profit or loss.</p> <p>The process of identifying indicators of impairment and determining the recoverable amount of the PPE by the Management requires significant judgement and estimation. The determination of the recoverable amounts <i>inter alia</i> requires estimates of forecasted revenues, growth rates, profit margins, tax rates and discount rates.</p>	<ul style="list-style-type: none"> • We also reviewed performance of individual units and carried out analytical review of relevant data. • We assessed management's estimates applied in the value-in-use model and compared them against historical performance and tested the arithmetical accuracy. • We evaluated the sensitivity of the outcomes by considering the downside scenarios against changes to the key assumptions. • We also assessed the adequacy of the related disclosures in the notes to the consolidated financial statements.

Information Other than the Consolidated Financial Statements and Our Report thereon

The Holding Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in Annual Report, but does not include the Consolidated Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to Those Charged with Governance and take appropriate actions in accordance with Standards on Auditing.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its Joint Venture and Associates in accordance with the Ind AS, other accounting principles generally accepted in India and relevant provisions of the Act. The respective Board of Directors of the companies included in the Group and of its joint venture and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its joint venture and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group and of its joint venture and its associates are responsible for assessing the ability of the Group and of its associates and its joint venture to continue as a going concern, disclosing, as applicable and using the going concern basis of accounting unless the management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its joint venture and its associates are responsible for overseeing the financials reporting process of the Group and its joint venture and its associates.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint venture and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint venture and its associates to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Consolidated Financial Statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of the misstatement in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effects of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of eight subsidiaries (including six foreign subsidiaries) which reflect total assets of Rs. 632.91 crores as at March 31, 2020, total revenue of Rs. 305.27 crores, total net loss of Rs. 37.36 crores, total comprehensive loss of Rs. 9.84 crores and net cash inflows of Rs. 0.58 crores for the year ended on that date and financial statements of one joint venture and two

associates, where the Group's share of the net loss is Rs. 7.42 crores and total comprehensive loss of Rs. 11.65 crores for the year ended March 31, 2020, as considered in the preparation of the Consolidated Financial Statements, have been audited by other auditors whose reports have been furnished to us.

In addition, we did not audit the financial statements of three foreign subsidiaries, whose financial statements reflect total assets of Rs. 0.54 crores as at March 31, 2020, total revenue of Rs. 0.13 crores, total net loss of Rs. 0.02 crores, total comprehensive loss of Rs. 0.05 crores and net cash outflows of Rs. 0.06 crores for the year ended March 31, 2020, as considered in the preparation of the Consolidated Financial Statements. The financial statements and financial information of these subsidiaries are unaudited and have been certified by the Management.

The Management of the Company has also furnished us details of adjustments that are required in case of financial statements of foreign subsidiaries so as to make these financial statements fit for consolidation. Our opinion on the Consolidated Financial Statements, in so far as it relates to aforesaid subsidiaries, joint venture and associates, is based solely on the report of such other auditors and such certification from the Management. In our opinion and according to the information and explanations given to us by the Management of the Company, financial statements of three unaudited subsidiaries and adjustments that are required so as to make financial statements of foreign subsidiaries fit for consolidation are not material to the Group.

Report on Other Legal and Regulatory Requirements:

1. As required by section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the Consolidated Financial Statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the Consolidated Financial Statements have been kept by the Holding Company so far as appears from our examination of those books;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account, workings and records maintained for the purpose of preparation of the Consolidated Financial Statements;
- (d) In our opinion, the Consolidated Financial Statements comply with the Ind AS specified under section 133 of the Act read with relevant rules issued thereunder and relevant provisions of the Act;
- (e) On the basis of written representations received from the Directors of the Holding Company as on March 31, 2020 and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiaries, joint venture and its associates incorporated in India, none of the Directors of the Group companies and its joint venture and its associates company incorporated in India are disqualified as on March 31, 2020 from being appointed as a Director in terms of section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiaries, joint venture and associates incorporated in India and the operating effectiveness of such controls, we give our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Consolidated Financial Statements;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors of subsidiaries, joint venture and associates, as noted in the 'Other Matters' paragraph:
 - (i) The Consolidated Financial Statements disclose the impact of the pending litigations on the consolidated financial position of the Group, its joint venture and its associates. Refer note no 34 to the Consolidated Financial Statements.
 - (ii) The Group, its joint venture and its associates has made provision, as required under the applicable law or accounting standards for material foreseeable losses, if any, on long-term contracts including derivative contracts; and

- (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group, its joint venture and its associates.

Annexure A referred to in paragraph 2(f) under “Report on Other Legal and Regulatory Requirements” of our Independent Auditor’s report of even date, to the members of the Company on the Consolidated Financial Statements for the year ended 31st March, 2020

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under section 143(3)(i) of the Act

Opinion

In conjunction with our audit of the Consolidated Financial Statements of the Holding Company as of and for the year ended March 31, 2020, we have audited the internal financial controls with reference to financial statements of **Ipca Laboratories Limited** (hereinafter referred to as ‘the Holding Company’) and its subsidiaries, its joint venture and its associates, which are companies incorporated in India, as of that date.

In our opinion, the Holding Company, its subsidiaries, its joint venture and its associates, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2020, based on the internal control with reference to Consolidated Financial Statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Management’s Responsibility for Internal Financial Controls with reference to Consolidated Financial Statements

The respective Board of Directors of the Holding company, its subsidiaries, joint venture and associates, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility for Internal Financial Controls with reference to Consolidated Financial Statements

Our responsibility is to express an opinion on internal financial controls with reference to financial statements of the Holding Company, its subsidiaries, joint venture and associates, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the Other Matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial control system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and

that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements, in so far as it relates to subsidiaries, associates and joint venture, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies.

Consolidated Statement of Significant Accounting Policies and Other Explanatory Notes

(A) Corporate Information

Ipca Laboratories Limited (CIN L24239MH1949PLC007837) incorporated in the year 1949, is a integrated pharmaceutical company manufacturing and marketing over 350 formulations and 80 APIs covering various therapeutic segments. The products of the Company are sold in over 100 countries across the globe. The Company has 17 manufacturing units in India manufacturing APIs and formulations for the world market.

Authorization of consolidated financial statement

The consolidated financial statements were authorised for issue in accordance with a resolution of the Directors on June 16, 2020.

(B) Principles of Consolidation:

The consolidated financial statements relates to the Company, and its various Subsidiaries (the holding and subsidiaries together referred to as "The Group", Associates and its Joint Venture. The consolidated financial statements have been prepared in accordance with Indian Accounting Standard - 110 "Consolidated Financial Statement", Indian Accounting Standard - 28 "Investment in Associate and Joint Venture" of the Companies (Indian Accounting Standards) Rules 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and other relevant provisions of the Act. The consolidated financial statements have been prepared on the following basis: -

The consolidated financial statements of the Group companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain/loss from such transactions are eliminated upon consolidation. These consolidated financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the company, are excluded.

In case of foreign subsidiaries, revenue items are consolidated at average rate prevailing during the year. All Assets and Liabilities are converted at the rates prevailing at the end of the year. Exchange gain or loss on conversion arising on consolidation is recognized under foreign currency translation reserve.

Associates are entities over which the Group has significant influence but not control. Investments in associates and Joint Venture are accounted for using the equity method of accounting as per Indian Accounting Standard - 28 "Investment in Associate and Joint Venture". The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in associates includes goodwill identified on acquisition.

The consolidated financial statements of the Subsidiaries, Associates and Joint Venture used in consolidation are drawn up to the same reporting date as that of the Company i.e. 31st March.

The difference between the cost to the Company of its investments in the subsidiary / associates / joint venture over the Company's portion of equity is recognized in the financial statement as Goodwill on consolidation or Capital Reserve.

The list of subsidiary companies, associates and joint venture included in consolidation and Group Company's holding therein are as under: -

Name of the Companies	Relationship	Country of Incorporation	% of ultimate holding	
			2019-20	2018-19
Ipca Pharmaceuticals, Inc. USA	Subsidiary	USA	100.00	100.00

Krebs Biochemicals & Industries Ltd.	Associate	India	39.69	34.73

cost fully written off in the books.

(C) Basis of Preparation**a) Statement of compliance**

The consolidated financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 ("the Act"), Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The consolidated financial statements have been prepared on a historical cost basis, except for the following:

- a) certain financial assets and liabilities (including derivative instruments) are measured at fair value; and
- b) defined benefit plans - plan assets measured at fair value

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Use of Judgments, Estimates and assumption

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of consolidated financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of circumstances surrounding the estimates. Changes in estimates are reflected in the financial statement in the period in which changes are made and if material, their effects are disclosed in the notes to the consolidated financial statements.

The financial statements require management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods .

i. Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

ii Defined benefit plans (gratuity benefits)

The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These interalia include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. For plans operated outside India, the management considers the interest rates of high quality corporate bonds in currencies consistent with the currencies of the post-employment benefit obligation with at least an 'AA' rating or above, as set by an internationally acknowledged rating agency, and extrapolated as needed along the yield curve to correspond with the expected term of the defined benefit obligation. The underlying bonds are further reviewed for quality. Those having excessive credit spreads are excluded from the analysis of bonds on which the discount rate is based, on the basis that they do not represent high quality corporate bonds.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

iii. Useful lives of Property, plant and equipment

The group reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

iv. Impairment of Property, plant and equipment

For property, plant and equipment and intangibles an assessment is made at each reporting date to determine whether there is an indication that the carrying amount may not be recoverable or previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised.

v. Impairment of investment

For determining whether the investments in subsidiaries, joint ventures and associates are impaired requires an estimate in the value in use of investments. In considering the value in use, the Directors have estimated the future cash flow, capacity utilization, operating margins and other factors of the underlying businesses / operations of the investee companies. Any subsequent changes to the cash flows due to changes in the above mentioned factors could impact the carrying value of investments.

vi. Inventories

The Group estimates the net realisable value (NRV) of its inventories by taking into account estimated selling price, estimated cost of completion, estimated costs necessary to make the sale, obsolescence considering the past trend. Inventories are written down to NRV where such NRV is lower than their cost.

vii. Recognition and measurement of other Provisions

The recognition and measurement of other provisions is based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the closing date. The actual outflow of resources at a future date may therefore, vary from the amount included in other provisions.

D) Summary of Significant Accounting Policies

(a) Current and Non-current Classification

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

The Group presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when :

- It is expected to be realised or intended to be sold or consumed in normal operating cycle or
- It is held primarily for the purpose of trading or
- It is expected to be realised within twelve months after the reporting period, or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when :

- It is expected to be settled in normal operating cycle or
- It is held primarily for the purpose of trading or
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for atleast twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(b) Property, Plant and Equipment

- (i) Freehold land is carried at historical cost. All other items of Property, plant and equipment are stated at historical cost less depreciation. Cost of acquisition comprises its purchase price including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discount and rebates are deducted in arriving at the purchase price.
- (ii) Long-term Lease arrangements of land are treated as Property, plant and equipment, in case such arrangements result in transfer of control and the present value of the lease payments is likely to represent substantially all of the fair value of the land.
- (iii) Stores and spares which meet the definition of Property, plant and equipment and satisfy the recognition criteria of Ind AS 16 are capitalised as Property, Plant and Equipment.
- (iv) Capital Work In Progress represents expenditure incurred on capital assets that are under construction or are pending capitalisation and includes project expenses pending allocation. Project expenses pending allocation are apportioned to the property, plant and equipment of the project proportionately on capitalisation.
- (v) Cost of borrowing for assets taking substantial time to be ready for use is capitalised for the period up to the time the asset is ready for its intended use.
- (vi) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

- (vii) The residual useful life of Property, plant & equipment is reviewed at each balance sheet date and adjusted if required in the depreciation rates.
- (viii) Depreciation methods, estimated useful lives and residual value

Depreciation on all assets of the Company is charged on straight line method over the useful life of assets mentioned in Schedule II to the Companies Act ,2013 or the useful life previously assessed by the management based on technical review whichever is lower for the proportionate period of use during the year. Intangible assets are amortised over the economic useful life estimated by the management.

The management's estimated useful life/useful life as per schedule II whichever is lower for the various tangible assets are as follows.

Assets	Estimated useful life (Years)
Leasehold land	Period of Lease
Buildings	18 to 58
Roads	3 to 10
Plant and equipment and R&D equipments	9 to 20
Office and other equipments	5
Computers	3 to 6
Furniture and fixtures	3.5 to 10
Vehicles	3 to 8
Leasehold improvements	Period of Lease

(c) Goodwill

Goodwill on acquisition

Goodwill on acquisition represents excess of consideration paid for acquisition of business over the fair value of net assets. Goodwill is not amortised but is tested for impairment at each reporting date.

Goodwill on consolidation

Goodwill on consolidation represents excess cost of investment over the company's share of equity that is carried in balance sheet and is tested for impairment at each reporting date.

(d) Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

Revenue expenditure pertaining to research is charged to the Statement of profit and loss. Development costs of products are also charged to the Statement of profit and loss in the year it is incurred, unless product's technological feasibility as well as other related conditions have been established, in which case such expenditures are capitalised. The amount capitalised comprises of expenditure that can be directly attributed or allocated on a reasonable and consistent basis for creating, producing and making the asset ready for its intended use. Property, plant and equipment utilised for research and development are capitalised and depreciated in accordance with the policies stated for Property, plant and equipment. Expenditure on in-licensed development activities, whereby research findings are applied to a plan or design for the production of new or substantially improved products and processes, is capitalised, if the cost can be reliably measured, the product or process is technically and commercially feasible and the Company has sufficient resources to complete the development and to use and sell the asset.

The management has estimated the economic useful life for the various intangible assets as follows.

Assets	Estimated useful life (Years)
Brands and trademarks	4
Technical know how	4 to 10
Software for internal use	4
Research and Development	7

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

(e) Borrowings

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

(f) Impairment of Assets

Carrying amount of Tangible assets, Intangible assets, Investments in Subsidiaries, Joint Ventures and Associates (which are carried at cost) are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company's assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(g) Inventories

Items of inventories are valued at lower of cost or estimated net realisable value as given below.

Raw Materials and Packing Materials	Lower of cost and Net realisable value. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First in First out basis.
Work-in-progress and Finished Goods	At lower of cost (material cost net of refundable taxes, labour cost and all manufacturing overheads) and net realisable value.
Stores and Spares	Stores and spare parts are valued at lower of purchase cost computed on First-in-First-out method and net realisable value.
Traded Goods	Traded Goods are valued at lower of purchase cost and net realisable value.

The factors that the Company considers in determining the allowance for slow moving, obsolete and other non-saleable inventory in determining net realisable value include ageing of inventory, estimated shelf life, price changes, introduction of competitive new products and such other related factors.

Cost in case of Raw material and Packing material, Stores and Spare and Traded Goods include purchase cost net of refundable taxes and other overhead incurred in bringing such items of inventory to its present location and condition.

(h) Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, demand deposits in banks and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within bank borrowings in current liabilities on the balance sheet.

(i) Provisions, Contingent liabilities & contingent assets

Provision

A Provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

(j) Retirement and Other employee benefits**Provident fund**

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

Gratuity

Gratuity, a post employment defined benefit obligation is provided on the basis of an actuarial valuation made at the end of each year/period on projected unit credit method.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

Compensated Absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using Projected Unit Credit Method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia, bonus and performance incentive are recognised in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(k) Foreign Currencies

Transactions and Balances:

- (i) The functional currency of the company is the Indian rupee. These consolidated financial statements are presented in Indian rupees.
- (ii) Transactions denominated in foreign currency are recorded at the exchange rate on the date of transaction where the settlement of such transactions are taking place at a later date. The exchange gain/loss on settlement / negotiation during the year is recognised in the statement of profit and loss. In case of advance payment for purchase of assets/goods/services and advance receipt against sales of products/services, all such purchase/sales transaction are recorded at the rate at which such advances are paid/received.
- (iii) Foreign currency monetary transactions remaining unsettled at the end of the year are converted at year-end rates. The resultant gain or loss is accounted for in the Statement of Profit and Loss.
- (iv) Non Monetary items that are measured at historical cost denominated in foreign currency are translated using exchange rate at the date of transaction.
- (v) For the purposes of presenting these consolidated financial statements, the assets and liabilities of Group's foreign operations, are translated to the Indian Rupees at exchange rates at the end of each reporting period. The income and expenses of such foreign operations are translated at the average exchange rates for the period. Resulting foreign currency differences are recognized in other comprehensive income / (loss) and presented within equity as part of Foreign Currency Translation Reserve (and attributed to non-controlling interests as appropriate).

(l) Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

(m) Financial Instruments

(i) Financial Assets & Financial Liabilities

Initial Recognition and Measurement

All financial assets and liabilities are recognised initially at fair value.

In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset is treated as cost of acquisition. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 7 details how the entity determines whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

De-recognition of Financial Instruments

A financial asset is de-recognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the group has not retained control of the financial asset. Where the group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

A financial liability (or a part of a financial liability) is de-recognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(ii) Derivative Financial Instruments and Hedge Accounting

Initial Recognition and Subsequent Measurement

The Company uses derivative financial instruments, such as forward currency contracts, interest rate swaps and forward commodity contracts, to hedge its foreign currency risks, interest rate risks and commodity price risks, respectively.

Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

The purchase contracts that meet the definition of a derivative under Ind AS 109 are recognised in the Statement of Profit and Loss.

Cash Flow Hedge

The company designates certain foreign exchange forward and options contracts as cash flow hedges to mitigate the risk of foreign exchange exposure on highly probable forecast cash transactions.

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in other comprehensive income and accumulated in the cash flow hedging reserve. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the net profit in the statement of profit and loss. If the hedging instrument no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the forecasted transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the net profit in the Statement of Profit and Loss upon the occurrence of the related forecasted transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified to net profit in the Statement of Profit and Loss.

(n) Revenue Recognition

- (i) The Group derives revenues primarily from sale of products and services. Revenue from sale of goods is recognised net of returns, product expiry claims and discounts.

Revenue is recognized on satisfaction of performance obligations upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Group expects to receive in exchange for those products or services.

To recognize revenues, the Group applies the following five step approach:

1. Identify the contract with a customer;
2. Identify the performance obligations in the contract;
3. Determine the transaction price;
4. Allocate the transaction price to the performance obligations in the contract; and
5. Recognize revenues when a performance obligation is satisfied.

Performance obligation may be satisfied over time or at a point in time. Performance obligations satisfied over time if any one of the following criteria is met. In such cases, revenue is recognized over time.

1. The customer simultaneously receives and consumes the benefits provided by the Group performance; or
2. The Group performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
3. The Group performance does not create an asset with an alternative use to the Group and the Group has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Where Revenue is recognized over time, the amount of revenue is determined on the basis of contract costs incurred in relation to estimated contract expenses.

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties.

The Group presents revenues net of indirect taxes in its statement of profit and loss.

- (ii) In case of export benefits which are in the nature of neutralisation of duties and taxes are grouped under material costs. Other export incentives are grouped under other operating revenue.
- (iii) Revenue in respect of insurance/other claims, commission, etc. are recognised only when it is reasonably certain that the ultimate collection will be made.
- (iv) For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR).

(o) Taxes

Tax expenses comprise Current Tax and Deferred Tax:

(i) Current Tax:

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws

enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

(ii) Deferred Tax:

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone consolidated financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

For items recognised in OCI or equity, deferred / current tax is also recognised in OCI or equity.

(iii) MAT Credit:

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognises MAT credit available as an asset only to the extent that there is reasonable certainty that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The MAT credit to the extent there is reasonable certainty that the Company will utilise the credit is recognised in the Statement of Profit and Loss and corresponding debit is done to the Deferred Tax Asset as unused tax credit.

(p) Leases

Effective April 1, 2019, the group has adopted Ind AS 116 "Leases" using the modified retrospective approach, under which the Company recorded the lease liability at the present value of the remaining lease payments discounted at the incremental borrowing rate as on the date of transition and has measured right of use asset an amount equal to lease liability adjusted for any related prepaid and accrued lease payments previously recognized. Accordingly, the comparative information has not been restated and continues to be reported under Ind AS 17 "Lease". Additionally, the disclosure requirements in Ind AS 116 have not generally been applied to comparative information. The following is the summary of the new and/or revised significant accounting policies related to Leases. Refer Note 1 "Significant Accounting policies", in the Company's 2019 Annual Report for the policies in effect for Leases prior to April 1, 2019. The effect of transition on Ind AS 116 was insignificant.

Company as a lessee

The group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. For these short-term leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets as below.

Right-of-use assets

The group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

Lease Liabilities

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate. After

the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset.

Lease liabilities and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(q) Earnings Per Share

Earnings per share is calculated by dividing the net profit or loss before OCI for the year by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(r) Dividend Distribution

Dividend distribution to the Holding Company's equity holders is recognized as a liability in the Holding Company's annual accounts in the year in which the dividends are approved by the Company's equity holders.

(s) Share-based payment transactions

Employees Stock Options Plans ("ESOPs"): The grant date fair value of options granted to employees is recognized as an employee expense, with a corresponding increase in equity, over the period that the employees become unconditionally entitled to the options. The expense is recorded for each separately vesting portion of the award as if the award was, in substance, multiple awards. The increase in equity recognized in connection with share based payment transaction is presented as a separate component in equity under "Employee Stock Options Outstanding reserve". The amount recognized as an expense is adjusted to reflect the actual number of stock options that vest.

(t) Business combinations:

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred, measured at acquisition date fair value and the amount of any non-controlling interest in the acquiree. For each business combination, the Company elects whether it measures the non-controlling interest in the acquiree either at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition costs which are administrative in nature are expensed out. After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Company's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units. Where goodwill forms part of a cash-generating unit and part of the operation within that unit is disposed of, the goodwill associated with the operation disposed off is included in the carrying amount of the operation when determining the gain or loss on disposal of the operation. Goodwill disposed off in this circumstance is measured based on the relative values of the operation disposed off and the portion of the cash-generating unit retained. Common control business combinations include transactions, such as transfer of subsidiaries or businesses, between entities within a Group. Business combinations involving entities or businesses under common control are accounted for using the pooling of interests method. Under pooling of interest method, the assets and liabilities of the combining entities are reflected at their carrying amounts, the only adjustments that are made are to harmonise accounting policies. The financial information in the consolidated financial statements in respect of prior periods are restated as if the business combination had occurred from the beginning of the preceding period in the consolidated financial statements, irrespective of the actual date of the combination. However, if business combination had occurred after that date, the prior period information is restated only from that date. The difference, if any, between the amount recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and presented separately from other capital reserves with disclosure of its nature and purpose in the notes .

(u) Government Grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised in statement of profit and loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. The above criteria is also used for recognition of incentives under various scheme notified by the Government. When the grant relates to an asset, the Company deducts such grant amount from the carrying amount of the asset.

Note: No amount is due from any of the directors or officers of the Holding Company, severally or jointly with any other person; or from firms where such director is a partner or from private companies where such director is a member.

The Holding Company uses a provision matrix to determine impairment loss on portfolio of its trade receivable. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in forward-looking estimates are analysed. The Holding Company estimates the following matrix at the reporting date which is calculated on overdue amounts.

Particulars	As at March 31, 2020	As at March 31, 2019
Default rate - Local	0.46%	0.15%
Default rate - Export	0.60%	0.87%

The Board of Directors, at its meeting held on Feb. 12, 2020, had declared an interim dividend of ₹ 5/- per equity share of ₹ 2/- each. It resulted in an outflow of ₹ 76.16 crores including dividend tax.

Nature and purpose of each reserve

Capital Reserve

During amalgamation / merger / acquisition, the excess of net assets taken, over the consideration paid, if any, is treated as capital reserve.

Notes to consolidated financial statements as at and for the year ended March 31, 2020

Securities Premium

The amount received in excess of face value of the equity shares is recognised in Securities Premium Reserve. In case of equity-settled share based payment transactions, the difference between fair value on grant date and nominal value of share is accounted as securities premium reserve. This reserve is utilised in accordance with the provisions of the Companies Act 2013.

Capital Redemption Reserve

The Holding Company has recognised Capital Redemption Reserve on buy-back of equity shares from its retained earnings. The amount in Capital Redemption Reserve is equal to nominal amount of the equity shares bought back.

Share Options Outstanding Account

The Company has established equity settled share based payment plan for certain categories of employees.

General Reserve

The General reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General reserve will not be reclassified subsequently to the statement of profit and loss.

Retained Earning

Retained earnings are the profits that the Group has earned till date and is net of amount transferred to other reserves such as general reserves, debenture redemption reserve etc., amount distributed as dividend and adjustments on account of transition to Ind AS.

Effective portion of cash flow hedges

The cash flow hedging reserve represents the cumulative effective portion of gains or losses arising on changes in fair value of designated portion of hedging instruments entered into for cash flow hedges. The cumulative gain or loss arising on the changes of the fair value of the designated portion of the hedging instruments that are recognised and accumulated under the cash flow hedge reserve will be reclassified to profit or loss only when the hedged transaction affects the profit or loss, or included as a basis adjustment to the non-financial hedged item.

Other items of OCI

This reserve represents exchange differences arising on account of conversion of foreign operations to Company's functional currency.

Provisions made during the period	2.51	0.69
Utilisations during the period	(0.36)	(4.04)
Provision at the end of the period	3.41	1.26

Notes to consolidated financial statements as at and for the year ended March 31, 2020

14.1 (i) Disclosure in accordance with Ind AS – 19 “Employee Benefits”, of the Companies (Indian Accounting Standards) Rules, 2015.**Gratuity**

The Holding Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement / termination is the employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan and the company makes contributions to recognised funds in India. The company does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected gratuity payments.

These plans typically expose the Holding Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk

For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

Market risk (discount risk)

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate/government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.

Longevity risk

The impact of longevity risk will depend on whether the benefits are paid before retirement age or after . Typically for the benefits paid on or before the retirement age , the longevity risk is not very material.

Actuarial risk

Salary Increase Assumption: Actual Salary increase that are higher than the assumed salary escalation , will result in increase to the Obligation at a rate that is higher than expected.

The following table summarizes the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet.

Particulars	(₹ Crores)	
	As at March 31, 2020	As at March 31, 2019
Expense recognised in Statement of Profit & Loss		
Current service cost	7.73	7.19
Interest expense	4.79	4.13
Expected return on plan assets	(4.98)	(4.31)
Total	7.54	7.01
Expense recognised in Other Comprehensive Income		
Return on plan assets (greater)/Less than discount Rate	0.34	0.38
Actuarial (gain)/loss due to experience on DBO	7.06	1.01
Total	7.40	1.39
Present value of funded defined benefit obligation	79.65	64.71
Fair value of plan assets	(70.42)	(65.50)
Funded status	9.23	(0.79)
Net defined benefit (Asset) / liability	9.23	(0.79)

(₹ Crores)

Particulars	As at March 31, 2020	As at March 31, 2019
Movements in present value of defined benefit obligation		
Present value of defined benefit obligation at the beginning of the year	64.71	58.11
Liability raised due to acquisition through business combination	0.86	-
Current service cost	7.73	7.19
Interest cost	4.79	4.13
Actuarial (gain)/loss	7.06	1.01
Benefits paid	(5.50)	(5.73)
Present value of defined benefit obligation at the end of the year	79.65	64.71
Movements in fair value of the plan assets are as follows.		
Opening fair value of plan assets	65.50	55.99
Expected returns on plan assets	4.98	4.31
Remeasurement (gains)/losses:		
Actuarial (gain)/loss on plan assets	(0.34)	(0.38)
Contribution from employer	5.73	11.31
Benefits paid	(5.45)	(5.73)
Closing fair value of the plan asset	70.42	65.50
Remeasurement effect recognised on Other Comprehensive Income		
Actuarial (gain)/loss arising from experience adjustments	7.06	1.01
Actuarial (gain)/loss on plan assets	0.34	0.38
Total Actuarial (Gain)/Loss included in OCI	7.40	1.39

The principal assumptions used as at the balance sheet date are used for the purpose of actuarial valuations were as follow

Particulars	As at March 31, 2020	As at March 31, 2019
Financial assumptions		
Discount rate	6.73%	7.60%
Salary increase rate	6.00%	6.00%
Demographic assumptions		
Mortality rate	IALM (2012-14) Ultimate	IALM (2006-08) Ultimate
Withdrawal rate	5%	5%
Retirement age	58 Years	58 Years

The rate used to discount post-employment benefit obligations is determined by reference to market yields at the end of the reporting period on government bonds.

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and mortality.

The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of reporting period, while holding all other assumptions constant.

Particulars	As at March 31, 2020	As at March 31, 2019
Defined Benefit Obligation		
Discount rate		
a. Discount rate - 100 basis points	85.91	69.89
b. Discount rate + 100 basis points	73.95	60.19
Salary increase rate		
a. Rate - 100 basis points	74.17	60.38
b. Rate + 100 basis points	85.56	69.59

Notes to consolidated financial statements as at and for the year ended March 31, 2020

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would clear in isolation of one another as some of the assumptions may be correlated.

Further more, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(ii) Employee Stock Option Plans

The Holding Company has a stock option plan that provides for the granting of stock options to qualifying permanent employees including Wholetime Non- Promoter Director of the Company. The option plan is summarized below:

The Board of Directors at the meeting held on 25th April, 2017 had granted 1,65,000 (One Lakh Sixty Five Thousand) option under Ipca Laboratories Limited -Employees Stock option Scheme- 2014 (ESOS). The Option granted got vested on completion of 1 year from the date of grant of the option.

The compensation cost for ESOS 2014 is recognized based on the fair value at the date of grant in accordance with the Black-Scholes method determined by an independent merchant banker. The Black –Scholes option-pricing model was developed for estimating fair value of trade options that have no vesting restrictions and are fully transferable. Since options pricing models require use of subjective assumptions, changes therein can materially affect fair value of the options. The options pricing models do not necessarily provide a reliable measurement of fair value of options.

Particulars	Year ended March 31, 2020		Year ended March 31, 2019	
	No. of options	Exercise price	No. of options	Exercise price
Outstanding, beginning of year	-	-	1,56,500	300

vi Nominal value of equity share (₹)		2.00		2.00
vii Basic EPS (i / iv) (₹)		47.77		35.01
viii Diluted EPS (i / v) (₹)		47.73		35.01

31. Disclosure in accordance with Ind AS – 116 “Leases”, of the Companies (Indian Accounting Standards) Rules, 2015.

The Group’s lease asset primarily consist of leases for Land and Building having the various lease terms. Effective April 1, 2019, the Group adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method. Consequently, the Group recorded the lease liability at the present value of the remaining lease payments discounted at the incremental borrowing rate as on the date of transition and has measured Right-of-use asset an amount equal to lease liability adjusted for any related prepaid and accrued lease payments previously recognised.

The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 has resulted in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Applied the practical expedient by not reassessing whether a contract is, or contains, a lease at the date of initial application. Instead applied the standards only to contracts that were previously identified as leases under Ind AS 17.
4. Used hindsight in determining the lease term where the contract contained options to extend or terminate the lease.

Following is carrying value of Right-of-use assets recognised on date of transition and the movements thereof during the year ended March 31, 2020

(₹ Crores)

Particulars	Land and Buildings
Balance as on April 1, 2019	-
Transition impact on account of Ind AS 116 "Leases"	9.70
Reclassified from property, plant and equipment on account of adoption of Ind AS 116 "Leases"	-
Reclassified from Earnest money and Security Deposits	3.28
Total Right-of-use as on date of Transition	12.98
Additions during the year	22.86
Deletion during the year	-
Depreciation of Right-of-use assets	9.71
Balance as at March 31, 2020	26.13

Notes to consolidated financial statements as at and for the year ended March 31, 2020

The following is the carrying value of lease liability on the date of transition and movement thereof during the year ended March 31, 2020:

(₹ Crores)

Particulars	As at March 31, 2020
Transition impact on account of Ind AS 116 "Leases"	9.70
Additions during the year	13.69
Finance cost accrued during the year	1.58
Deletions	-
Payment of lease liabilities	6.08
Balance as at March 31, 2020	18.89
Current portion of Lease liability	5.87
Non Current portion of Lease liability	13.02
	18.89

An explanation to difference between operating lease commitments as per Ind AS 17 and lease liabilities as per Ind AS 116 as on April 1, 2019 is as below:

The weighted average incremental borrowing rate applied to lease liabilities as at April 1, 2019 is 9% except one agreement of Krebs Biochemicals where Inter Company Deposit rate is available, which is 11.5%.

The difference between lease obligation recorded as of March 31, 2019, under Ind AS 17 (disclosed under note no.31 of annual consolidated financial statements of March 31, 2019) and the value of lease liability as of April 1, 2019, is on account of practical hindsight in determining the lease term, where the contract contained options to extend in measuring the lease liability in accordance with Ind AS 116, reclassification of finance lease obligations as lease liabilities.

Amounts recognised in the statement of cash flows

(₹ Crores)

Particulars	2019-20
Total cash outflow for leases	13.81

The details of the contractual maturities of lease liabilities as at March 31, 2020 on an undiscounted basis are as follows:

(₹ Crores)

Particulars	As at March 31, 2020
Less than one year	5.87
One to five years	9.05
More than five years	3.97
Total	18.89

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

32. Segment Reporting

Disclosure as required by IND AS 108 "Operating Segments", of the Companies (Indian Accounting Standards) Rules, 2015.

Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance in accordance with IND AS "Operating Segments", the Company has only one reportable operating segment i.e. Pharmaceuticals.

Notes to consolidated financial statements as at and for the year ended March 31, 2020

Additional disclosure required as per Ind AS 108

(₹ Crores)

Particulars	2019-20	2018-19
The revenue from Geographical region		
India	2,216.28	1,860.20
Outside India	2,432.43	1,912.98
Total	4,648.71	3,773.18

Of the above, revenue from sales to/with in United Kingdom amounts to ₹ 236.26 crores (previous year ₹ 193.97 crores).

The non-current assets attributable to any particular geographical segment is not material for disclosure.

No single customer represents 10% or more of the company's total revenue during the year ended March 31,2020 and March 31, 2019.

33. Disclosure in accordance with Ind AS - 24 "Related Party Disclosures", of the Companies (Indian Accounting Standards) Rules, 2015

Goodwill	15.24

36. Acquisition of Noble Explochem Ltd.

The Holding Company's Resolution Plan under the Insolvency and Bankruptcy Code, 2016 for Noble Explochem Ltd. (NEL) was approved by the National Company Law Tribunal (NCLT) vide its order dated January 22, 2020. Pursuant thereto, the Holding Company has discharged its total obligation of ₹ 69.00 crores and has acquired control over NEL's vast land bank and infrastructure facility near Nagpur, Maharashtra. As per the Resolution Plan, on approval by the NCLT, NEL merged with the Holding Company with effect from the Completion Date without obtaining any separate order from NCLT. As per the aforesaid plan, NEL's entire capital gets cancelled. The Holding Company has recognised immovable properties, plant and machineries and other assets acquired at its respective fair value in terms of Ind AS 16 on Property, plant and equipment based on valuation reports of authorized valuers appointed by the Resolution Professionals. The excess of ₹ 6.00 crores being the difference between the aggregate fair value of assets recognised over the consideration paid is disclosed as Capital Reserve. The assets recognised includes freehold land, leasehold land and three bank accounts of ₹ 37.90 crores, ₹ 24.50 crores and ₹ 0.02 crore respectively, where the Holding Company is in process of completing necessary formalities to register / transfer these assets in the name of the Company. The Holding Company proposes to use these assets to set up manufacturing unit(s) for manufacturing of Drug Intermediates and Active Pharmaceutical Ingredients.

37. Financial Instruments

The carrying value and fair value of financial instruments by categories as at March 31, 2020 and March 31, 2019 is as follows:

Particulars	(₹ Crores)			
	Carrying Value		Fair Value

Derivative Liabilities	13.32	-	13.32	-
Total Financial Liabilities	1,182.03	1,072.45	1,182.03	1,072.45

Notes to consolidated financial statements as at and for the year ended March 31, 2020

The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables, book overdrafts and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

38. Fair Value Hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

(₹ Crores)

Particulars	Date of Valuation	Fair Value measurement using			Total
		Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)	
Financial assets measured at fair value

Total financial liabilities		-	-	-	-

39. Financial Risk Factors

The Company's business activities are exposed to a variety of financial risks: Market/Business risk, credit risk, Exchange risk, etc. The Company's focus is to foresee the unpredictability of financial and business risks and seek to minimize potential adverse effects of these risks on its business and financial performance.

i. Business/Market Risk

The primary business/market risk to the Company is the price risk and its ability to pass on the same to its customers. The Company's operations extend to a number of countries across the globe and its products pricing competitiveness is a primary factor for the acceptability of Company's products in those markets. The Company has a robust procurement process, which ensures that its pricing power is not adversely affected by price changes in the market place for its raw - materials. The backward integration into manufacturing of several APIs for its own use in the formulations manufacturing also works as a mitigating strategy for price risk faced by the Company.

Notes to consolidated financial statements as at and for the year ended March 31, 2020

The other business risk is regulatory risk and regulatory audits of its manufacturing facilities by the regulators to ensure that the manufacturing facilities meet the current Good Manufacturing Practices (cGMP) requirements. The Company is already exposed to certain audit observations from the US FDA for 3 of its manufacturing plants and has taken the necessary corrective measures to redress those US FDA audit observations so as to be able to market all its products once again in the US market. While the stringent regulatory requirements and audits works as a business risk, the successful audit of its facilities by regulators coupled with price competitiveness results in higher business and margins for the Company.

The Company's products are also subjected to product liability claims/litigations. To mitigate these risks, the Company has obtained adequate Product Liability Insurance.

The Company, however, has a reduced risk from dependence on any single customer as no single customer or customer group accounts for more than 10% of Company's annual revenue. The Company also continuously forays into different markets/countries to reduce its dependence on any particular country or customer group. The Company also has a diversified therapeutic product portfolio and therefore no single product account for more than 10% of Company's annual revenue.

ii. Credit Risk

The Company has exposure to credit risks associated with sales to various developing markets/countries. To mitigate these credit risks arising out of this, the Company obtains credit insurance on a regular basis after evaluating the credit risk associated with a country/customer. Country/customer where no credit insurance is available, the Company monitors such risk by continuously monitoring its exposure to such country/customer. There was no historically significant credit risk in the domestic market for the Company. Based on the historical data, the Company has made adequate provisions for expected loss because of credit risk, which is neither significant nor material.

iii. Interest Risk

The Company has borrowings mainly in foreign currencies which is linked to Libor. The Company mitigates these risks associated with floating Libor rates by entering into interest rate swaps to move them to fixed Libor rates. The domestic interest risk is exposed to the changes in the RBI bank rate. The Company manages this risk by managing its working capital effectively.

iv. Foreign Currency Risk

The Company continuously manages its risks associated with foreign currency by adopting various hedging strategies in consultation with internal and external experts. The Company has a system of regularly monitoring its currency wise exposures. The significant part of Company's receivables and borrowings are in US Dollars which operates as a natural hedge against each other. The Company has a policy not to borrow in a currency where it has no business exposure.

v. The unhedged foreign currency exposure is as follows:

Sr. no.	Particulars	Currency	As at March 31, 2020		As at March 31, 2019	
			Amount in foreign currency (in millions)	Amount (₹ Crores)	Amount in foreign currency (in millions)	Amount (₹ Crores)
I)	Unhedged foreign exchange liability					
a.	ECB Term Loan & Interest	USD	21.42	161.14	26.11	249.73
b.	Packing Credit & Interest	USD	15.02	113.62	15.20	103.91
		EURO	4.00	33.13	-	-

b.	Unbilled Revenue	USD	-	-	-	-
		CAD	0.77	4.06	0.49	2.51

The Group has entered into various derivatives transactions, which are not intended for trading or speculative purpose but to hedge the export receivables including future receivables and foreign currency loan interest rate risks.

Notes to consolidated financial statements as at and for the year ended March 31, 2020

- (vi) In 2019-20, the Company has entered into Interest Rate Swap (IRS) Contracts against the underlying of USD ECB loans. The actual net gain of ₹ 0.41 Crores (previous year ₹ 3.88 Crores) upon unwinding of one of the IRS on ECB loan and gain on net settlement is credited to interest expenses under finance cost. (Refer note no.26)

(vii) Other Price Risk

The Company is mainly exposed to the price risk due to its investment in mutual funds. However, the Company is investing only in debt funds. The price risk arises due to uncertainties about the future market values of these investments. At March 31, 2020, the investments in mutual funds is ₹ 238.25 Crores (Previous year : ₹ 90.38 Crores). These are exposed to price risk. In order to minimize price risk arising from investments in mutual funds, the Company predominately invest in liquid fund where price risk is minimum.

Price risk sensitivity

0.10% increase or decrease in prices will have the following impact on profit/loss before tax and on other components of investment value.

(₹ Crores)

Particulars	Impact on Profit		Impact on Investment Value	
	As at March 31, 2020	As at March 31, 2019	As at March 31, 2020	As at March 31, 2019
Price - increase by 0.10%*	0.24	0.09	0.24	0.09
Price - decrease by 0.10%*	(0.24)	(0.09)	(0.24)	(0.09)

* assuming all other variables as constant

Estimation uncertainty relating to COVID-19 outbreak

Being manufacturers of pharmaceuticals, the operations of the Company in India were exempted from lockdown declared by both the Central and State Governments in the wake of Covid - 19 pandemic. The Group continued with the manufacturing operations at all its manufacturing sites albeit with challenges such as shortage of manpower, availability of materials and disruptions in the logistics and supply chain. The Group has considered the possible effects that may result due to the lockdown announced consequent to outbreak of Covid -19 on the carrying amounts of property, plant and equipment, investments, inventories, receivables and other current assets. Based on internal and external sources of information and economic forecasts, the Group expects the carrying amount of these assets will be recovered and will continue to have sufficient liquidity to fund its business operations as well as expansion plans. However, a definitive assessment of the impact, at this stage, is not possible in view of the highly uncertain economic environment and the situation is still evolving.

40. Capital Management

For the purpose of the Groups capital management, capital includes paid-up equity share capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholders' value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust its dividend payment ratio to shareholders, return capital to shareholders or issue fresh shares. The Group monitors capital using a gearing ratio, which is net debt divided by its total capital. The Group includes within its net debt the interest bearing loans and borrowings, trade and other payables less cash and cash equivalents.

(₹ Crores)

Particulars	As at March 31, 2020	As at March 31, 2019
Borrowings other than convertible preference shares	413.92	350.54
Trade payables	609.85	524.32
Other payables	139.37	197.59
Less: Cash and Cash Equivalents (C&CE)	(180.92)	(282.30)
Less: Investment in MF (part of C&CE)	(238.25)	(90.38)
Net debt	743.97	699.77
Total Equity	3,641.11	3,137.93
Capital and net debt Gearing ratio	20.43%	22.30%

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets the financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the lending institutions to immediately call back the loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

Notes to consolidated financial statements as at and for the year ended March 31, 2020

No changes were made in the objectives, policies or processes for managing the capital during the years ended March 31, 2020 and March 31, 2019.

41. Derivative Financial Instruments

Later than one month and not later than three months	USD	0.62	-
Later than three months and not later than one year	USD	-	0.01
Later than one year and not later than two years	-	-	-

During the year ended March 31, 2020 the Holding Company has designated certain foreign exchange forward contracts as cash flow hedges to mitigate the risk of foreign exchange exposure on highly probable forecast cash transactions. The related transactions for the balance in the cash flow hedging reserve are expected to occur and reclassified to revenue in the statement of profit and loss. However as at March 31, 2020, there are no transactions in the hedge reserve that are required to be reclassified to the revenue in the statement of profit & loss account.

Hedge effectiveness is determined at the inception of the hedge relationship and through periodic prospective effectiveness assessments to ensure that an economic relationship exists between the hedged item and the hedging instrument, including whether the hedging instrument is expected to offset changes in cash flows of hedged items.

Notes to consolidated financial statements as at and for the year ended March 31, 2020

If the hedge ratio for risk management purposes is no longer optimal but the risk management objective remains unchanged and the hedge continues to qualify for hedge accounting, the hedge relationship will be re-balanced by adjusting either the volume of the hedging instrument or the volume of the hedged item so that the hedged ratio aligns with the ratio used for risk management purposes. Any hedge ineffectiveness is calculated and accounted in the statement of profit and loss at the time of hedge relationship rebalancing.

The reconciliation of cash flow hedge reserve for the year ended March 31, 2020 is as follows:

(₹ Crores)

Particulars	As at March 31, 2020	As at March 31, 2019
Balance at the beginning of the period	0.28	3.69
Changes in the fair value of effective portion of cash flow hedges	(1.89)	(7.29)
Gain/(Loss) transferred to the Statement of Profit & Loss on occurrence of forecasted hedge transactions	0.41	3.88
Balance at the end of the period	(1.20)	0.28

The Holding Company offsets a financial asset and a financial liability when it currently has a legally enforceable right to set off the recognised amounts and the Holding Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. During the year the Company has not settled any such transactions.
