## Statement of Significant Accounting policies and Other Explanatory Notes

### Background

#### ACCOUNTING POLICIES

##### a) Accounting convention

The classification of assets and liabilities of the Company is done into current and non-current based on the operating cycle of the business of the Company. The operating cycle of the business of the Company is less than twelve months and therefore all current and non-current classifications are done based on the status of realisability and expected settlement of the respective asset and liability within a period of twelve months from the reporting date as required by Schedule III to the Companies Act, 2013.

The accounting policies adopted in the preparation of financial statements are consistent with those used in the previous year.

##### b) Conversion into Indian rupees

The translation of financial statements into Indian Rupees is done in accordance with AS 11 (Revised) the Effects of Changes in Foreign Exchange Rates notified by the Companies (Accounting Standards) Rules 2006. The resultant Foreign Currency Translation Reserve is shown separately under Reserves and Surplus forming part of shareholders funds.

The Assets and Liabilities are translated at closing rate except share capital which is translated at the rate as on transaction date. The income and expenditure are translated at a rate nearing the average rate during the year.

##### c) Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank, cheques on hand, cash in hand and short term investments with an original maturity of three months or less.
