XIX NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS AS AT AND FOR THE PERIOD

Presentation of the Financial Statements

The financial statements were prepared and are being presented in accordance with the accounting practices adopted in Brazil, including the pronouncements issued by the Accounting Pronouncements Committee (CPC), as well as the International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB).

All references to the Pronouncements of the CPC shall also be understood as references to the corresponding IFRS Pronouncements, and vice versa, and it should be noted that, in general, the early adoption of revisions or new IFRSs is not available in Brazil.

1. Statement of Significant Accounting Policies

The preparation of financial statements requires the Company's Management to use certain critical accounting estimates and exercise judgment in the process of application of accounting policies. The areas that require a higher degree of judgment and have higher complexity, as well as those in which assumptions and estimates are significant to the financial statements are here in disclosed.

The main bases of evaluation used in the accounting estimates are here summarized:

a) Basis of preparation:

The financial statements have been prepared under the historical cost convention and on accrual basis.

b) Fixed Assets and Depreciation

- i) Fixed assets are stated at cost less accumulated depreciation. Cost includes freight, duties, taxes and any attributable cost of bringing the asset to its working condition for its intended use.
- ii) Depreciation is provided on straight-line method as prescribed by the Income-Tax laws.

c) Retirement Benefits:

The Firm's contributions to social security are recognized on accrual basis.

d) Foreign Currency Transactions:

Foreign currency transactions arising during the year are recorded at the exchange rates prevailing at the transaction dates.

INDEPENDENT AUDITOR'S REPORT

To the Quotaholders of Unichem Farmaceutica do Brasil Ltda.

Opinion

We have audited the accompanying financial statements of **Unichem Farmaceutica do Brasil Ltda.**, which comprise the Balance Sheet as at 31st March 2024 and the Statement of Profit and Loss ended on that date, as well as the accompanying notes, including the summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information, in accordance with the law and regulations and give a true and fair view in conformity with the accounting standards and practices generally accepted in Brazil, of the state of affairs of the Company as at 31st March, 2024, of its statement of loss for the year ended on that date.

Basis for Opinion

Our audit was conducted in accordance with Brazilian and International audit standards. Our responsibilities, under such standards, are described in the section "Auditor's responsibilities for the audit of the financial statements", below. We are independent with relation to the Entity, in accordance with the applicable ethical principles of the Accountant's Professional Code of Ethics ('Código de Ética Profissional do Contador') and professional standards issued by the Federal Accounting Board ('Conselho Federal de Contabilidade'), and we comply with the other ethical requirements of these standards. We believe that the audit evidence that has been obtained is a sufficient and appropriate basis for our opinion.

Management's responsibilities for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting practices accepted in Brazil, and for such internal controls it has deemed necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's capacity to continue operating, disclosing, when appropriate, issues related to its operational continuity and the use of that assumption as an accounting basis for the preparation of the financial statements, unless management intends to liquidate the Entity or to cease its operations, or does not have any realistic alternative to avoid the end of operations. The individuals responsible for the Entity's management are those with responsibility for the supervision of the preparation of financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable confidence that the financial statements, taken as a group, are free of material distortion, whether caused by fraud or error, and issue an audit report containing our opinion. Reasonable confidence is a high degree of confidence, but not a guarantee that an audit carried out in line with Brazilian and International audit standards always detects material distortions that may exist.

Distortions may result from fraud or error, and are deemed material when, individually or as a group, they may reasonably influence economic decisions based on the financial statements.

As part of the audit that was carried out, in line with Brazilian and international audit standards, we exercised professional judgement and maintained professional skepticism throughout the audit. In addition to this:

- We identified and assessed risks of material distortion in the financial statements, whether caused by fraud or error; planned and executed audit procedures in response to such risks; and obtained appropriate and sufficient audit evidence on which to base our opinion. The risk of not detecting material distortion resulting from fraud is greater than that resulting from error, as fraud can involve deliberate circumvention of internal controls, collusion, forgery, omission or intentionally false representation.
- We obtained an understanding of the internal controls that were relevant to the audit, to plan audit procedures that were appropriate in the circumstances, but not with the objective of expressing an opinion on the efficacy of the Entity's internal controls.

- We reached a conclusion on the adequacy of management's use of the accounting basis of operational continuity and, based on audit evidence obtained, whether there is material uncertainty with relation to events or conditions that may raise significant doubts regarding the Entity's capacity to continue operating as a going concern. If we conclude that there is material uncertainty, we must draw attention in our audit report to the corresponding disclosures in the financial statements, or, if the disclosures are inadequate, qualify our opinion. Our conclusions are based on the audit evidence obtained until the date of our report. However, future events or conditions may cause the Entity to cease operating.
- We evaluate the overall presentation, structure and content of financial statements, including disclosures and whether the financial statements represent the corresponding transactions and events in a manner consistent with the objective of adequate presentation.
- We communicated with management regarding, among other topics, the planned reach, the period of the audit and the significant audit findings, including possible significant deficiencies in internal controls identified during our work.
